Miami Coral Gables:

Coral Gables, Miami, Florida Coral Gables, Fla. Chamber of Commerce, 1928 **The History of Iconic Coral Gables Neighborhood in Miami, Florida** James Fulton, The History of Iconic Coral Gables Neighborhood in Miami Florida offers a captivating exploration of one of Florida's most unique and architecturally significant communities. This book delves into the origins of Coral Gables, founded by George Merrick in the early 20th century, and examines its distinctive Mediterranean Revival style, lush landscapes, and innovative planning principles. Through rich narratives and historical photographs, the book highlights the neighborhood's evolution, its cultural significance, and the key figures who shaped its character. Revealing the interplay between nature, design, and community, it serves as both a tribute to Coral Gables' heritage and an insightful commentary on its ongoing development in the modern era.

Coral Gables Seth H. Bramson, 2006 When Solomon Merrick moved his family from New England to a plot of land southwest of Miami in 1898, he had no idea that his son George would become the founder of one of America's most fabled cities. When the senior Merrick died in 1911, George, who was working in New York, returned to the Miami area, establishing a major citrus and produce farm on his family's land. Then he entered the booming Miami real estate market of the early 1920s, finally embarking on the building of a city. The story of Coral Gables is also the story of George Merrick, and the photographs in this volume evoke poignant memories of the City Beautiful's storied past. Images in this book include views of early Coral Way and Miracle Mile, Ponce de Leon Boulevard, the Coliseum, beloved restaurants and clubs, the Venetian Pool, the Biltmore Hotel, Coral Gables High School, the trolleys, the University of Miami, and some of the people who brought Coral Gables to life and helped make it a great city.
