William A. McEachern

Microeconomics Mceachern 9th Edition:

The Microeconomics Anti-Textbook Rod Hill, Tony Myatt, 2021-12-02 Mainstream textbooks present economics as an objective science free from value judgements The Microeconomics Anti Textbook demonstrates this to be a myth one which serves to make such textbooks not only off puttingly bland but also dangerously misleading in their justification of the status quo and neglect of alternatives In this fully updated and expanded edition of their celebrated book Professors Rod Hill and Tony Myatt lay out the essentials of each topic in the standard texts in a clear and concise way before presenting an anti text analysis and critique Challenging the assumptions arguments and models Hill and Myatt provide the essential guide to decoding the textbooks and show that real economics is far more interesting and subversive than the simplistic version presented to students

Microeconomics William A. McEachern, 2012 It will be easy to succeed with the Study Guide for MICROECONOMICS A CONTEMPORARY INTRODUCTION 9th Edition This Study Guide by John Lunn of Hope College includes chapter outlines definitions of all terms a bonus section with supplemental material and a variety of true false multiple choice and discussion questions with answers

Microeconomics: A Contemporary Introduction William A. McEachern, 2010-11-23 McEachern teaches by example It is the text that uses examples and illustrations that students will recognize when they show up for class the first day because they already have at least 17 years of personal experience with economic choices institutions and events Taking a just in time approach by introducing material just as it is needed to develop an argument MICROECONOMICS A CONTEMPORARY INTRODUCTION Ninth Edition truly leads by example In a decidedly user friendly tone McEachern assumes that students are already intuitively familiar with many economic concepts through their own life experiences These life experiences are then explained to students as microeconomic concepts with clear and interesting exposition relevant case studies and a clean focused design The text s major applications take the form of Case Studies that are meant to be read and therefore are integrated into the flow of each chapter With this ninth edition the book s well crafted approach is enhanced with resources such as Aplia and CourseMate that will help your students improve their understanding and help you streamline tasks and save valuable time Important Notice Media content referenced within the product description or the product text may not be available in the ebook version
