Strategic planning is a process that involves setting a vision, defining strategic goals, and developing a plan of action to achieve those goals. It is a systematic process that involves analyzing the organization's internal and external environments, identifying opportunities and threats, and developing a plan of action to achieve the organization's mission and vision. Strategic planning is a continuous process that involves regular monitoring and evaluation of the organization's performance against its strategic goals. It is a key management tool that helps organizations to anticipate and respond to changes in their environment, and to allocate resources effectively to achieve their long-term objectives.
