The Psychology of Women and Gender Nicole M. Else-Quest, Janet Shibley Hyde, 2021-01-20 A psychology of women textbook that fully integrates transgender research issues and concerns With clear comprehensive and cutting edge coverage The Psychology of Women and Gender Half the Human Experience delivers an authoritative analysis of classical and up to date research from a feminist psychological viewpoint Authors Nicole M Else Quest and Janet Shibley Hyde examine the cultural and biological similarities and differences between genders noting how these characteristics can affect issues of equality Students will come away with a strong foundation for understanding the dynamic influences of gender sexual orientation and ethnicity in the context of psychology and society The Tenth Edition further integrates intersectionality throughout every chapter updates language for more transgender inclusion and incorporates new content from guidelines put forth from the American Psychological Association Assessing and Treating Emotionally Inexpressive Men Ronald F. Levant, Shana Pryor, 2024-07-30 What if your new client a man in his early 40s cannot answer basic questions in your initial assessment interview You were aware that many men do not like to talk about their feelings but this client seems kind of frozen You think he might be alexithymic but you do not know how to assess for that or even more importantly how to treat it

Assessing and Treating Emotionally Inexpressive Men has answers Chapters explain why some men are emotionally inexpressive because of their childhood socialization and the book provides both scales for assessing alexithymia in men and treatment manuals for helping these men become more emotionally self aware in individual and group therapy The book also offers case studies that explains how to integrate the authors approach with any model of psychotherapy Clinicians will come away from this book with a clear sense for how to treat alexithymia in the early sessions of psychotherapy and thereby improve treatment uptake and outcomes

Transforming Conflict through Communication in Personal, Family, and Working Relationships Peter M. Kellett, Thomas G. Matyók, 2016-11-15 A transformational approach to conflict argues that conflicts must be viewed as embedded within broader relational patterns and social and discursive structures Central to this book is the idea that the origins of transformation can be momentary situational and small scale or large scale and systemic The momentary involves shifts and meaningful changes in communication and related patterns that are created in communication between people Momentary transformative changes can radiate out into more systemic levels and systemic transformative changes can radiate inward to more personal levels This book engages this transformative framework by bringing together current scholarship that epitomizes and highlights the contribution of communication scholarship and communication centered approaches to conflict transformation in personal family and working relationships and organizational contexts The resulting volume presents an engaging mix of scholarly chapters think pieces and personal experiences from the field of practice and everyday life The book embraces a wide variety of theoretical and methodological approaches including narrative critical intersectional rhetorical and quantitative It makes a valuable additive contribution to the ongoing dialogue across and between disciplines on how to transform conflicts creatively sustainably and ethically

concrete damaged plasticity massachusetts institute of - Dec 29 2022

web the concrete damaged plasticity model assumes that the reduction of the elastic modulus is given in terms of a scalar degradation variable d as $e = (1 - d)e_0$ where e_0 is the initial undamaged modulus of the material this expression holds both in the tensile $\sigma_{11} > 0$ and the compressive $\sigma_{11} < 0$ sides of the cycle

pdf about the use of concrete damage plasticity for - Mar 20 2022

web jul 27 2023 in this study a sensitivity analysis of the parameters of a nonlinear constitutive law very popular for masonry modeling the concrete damage plasticity cdp model is conducted

comparative assessment of commonly used concrete damage plasticity - Oct 27 2022

web jun 15 2022 the concrete damaged plasticity cdp model is one of the most popular constitutive models for concrete

state of the art cdp material parameters are introduced in abaqus documentation

calibration of a concrete damage plasticity model used to - Jul 04 2023

web jan 23 2022 abstract this paper discusses the identification and characterization of material parameters of a concrete damage plasticity constitutive model that is used to describe the mechanical responses of mortar bricks and concrete defined here as the three material components of an unreinforced masonry infill wall system

pdf parameter calculation and verification of concrete plastic damage - Feb 28 2023

web may 15 2020 the concrete damage plasticity cdp model is widely recognized as a precise and practical constitutive model to simulate concrete behavior 6 and assumes that the concrete material is continuous

cdpm2 a damage plasticity approach to modelling the failure of concrete - Aug 25 2022
