***For Magnus Chase: Hotel Valhalla Guide to the Norse Worlds*** Rick Riordan, 2016-08-16 So you've made it to Valhalla. Now what? This who's-who guide to the gods, goddesses, and other important figures of Norse mythology was commissioned by Helgi, who after more than a millennium as manager of Hotel Valhalla, became fed up with answering the same questions from newly deceased heroes at check-in. The profiles provide essential stats, interviews, and personal reflections so you can identify the gods and avoid those awkward introductions. Handy facts about other beings round out this go-to tome. You'll never see Ratatosk as a cute little rodent or confuse a dwarf with an elf ever again.

***From Percy Jackson: Camp Half-Blood Confidential (An Official Rick Riordan Companion Book)*** Rick Riordan, 2017-05-02 In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as: What is this place? and Do I get to keep the T-shirt? Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace, and

harmony The camp is not run with superior efficiency Prophecies do not flow forth with great regularity Sprinkled throughout are stories from heroes who have called Camp Half Blood home or just passed through on their way to places unknown Chiron himself introduces the book with a brief history of training based on his millennia of experience And of course there are divine words of wisdom from the god Apollo himself because well because the demigod authors would prefer not to be struck down thank you very much
