Five-year term and variable rates are often the best deal

For most lenders, if you want their lowest offered rate (less than 2-3%), then you usually have to commit to a 5-year term and select a variable rate.

Good financial background

You are required to have a minimum credit score of 700, proof of full-time income, and an acceptable debt to income ratio (2.5 to 1)

7

Flexibility between cash flow or aggressive debt pay-off

If you are in the aggressive debt payment crowd, select a shorter term like 5 or 10 years fixed term and aim to finish it off within your financial goal.

Most lenders offer forgiveness upon death or disability, along with hardship forbearance

Majority of private refi lenders will offer military deferment & hardship forbearance and almost all lenders will fully discharge on death or disability (similar to federal).
