How to Get Your Ex Back Mayowa Ajisafe, 2020-03-31 Breakup sucks. But it sucks more when you have the wish and thought of getting back with your ex and you are wondering how to go about that. I have been through a couple of breakups in which I wanted my ex back. So I can relate to how you feel in that. Your love story doesn't have to end that way and you think you deserve another shot at being back with your ex. But this can be frustrating, especially when your ex has moved on and you are wondering how do you get him or her back. You don't need to be clueless about that anymore. With my experience getting three of my exes back and also seeing a lot of people trying to do that but are clueless, I wrote How to Get Your Ex Back: The Ultimate Counterintuitive Guide To Know When To Get Your Ex Back And How To Get Your Ex Back in which I spilled out all I know based on experience and facts surrounding the dynamic of relationships, breakups and getting an ex back. In How to Get Your Ex Back: The Ultimate Counterintuitive Guide To Know When To Get Your Ex Back And How To Get Your Ex Back, I took a rather counter intuitive approach to the topic of getting back with an ex and in this book you will learn Why Do You Want To Get Your Ex Back if you are 1. the one who was dumped 2. if you are the one who dumped your ex. The understanding of this is needed for you to make a better decision about getting your ex back which you will learn later in the book. What Happened When You Lose Your Relationship. This will show you the dynamic of how things are when you are being dumped by your ex and if you are the one who does the breaking up. An understanding of this also will help you along the journey of getting your ex back. How to get your ex back if you are the one that breaks up. How to get your ex back if you are the one your ex break up with. And ultimately one important thing you must take note of when trying to get your back to help you avoid the pain or hurt that might result in getting back with you ex now or later. You might be surprised how many different decisions you might want to make after reading through this one important piece of advice. The book is short
