

9 Bucket List Sexual Experiences

Here are some sexual experiences that many people commonly regret not having:

- To be pursued sexually
- A partner taking control
- A one-night stand/vacation fling
- Romantic lovemaking
- Oral sex
- The ability to discuss fantasies
- Exploration of your erogenous zones
- Kissing
- Spending a long time in bed

If this resonates with you, take one thing from it and talk to your partner about it. So many people's sex lives could be improved purely by talking directly about what bothers them!

to dominate so much of human history From the nature of courtship to the evolution of language Shlain s brilliant and wide ranging exploration stimulates new thinking about very old matters
