Focus On: 100 Most Popular Sedans Wikipedia contributors, *Supercars* Luke West, 2021-07-15 V8 Supercars is a great Australian sporting success story still going strong for over a quarter of a century It was the first local race series to gain a mainstream national following catapulting the likes of Peter Brock and Dick Johnson to fame against the backdrop of Mount Panorama Bathurst These days the sport draws huge crowds attracts big dollar TV rights deals and a new generation of heroes have appeared battling over old territory plus a host of new street circuits turning this Australian motor sport into a globally recognised phenomenon The V8s have evolved into today s Supercars Championship creating household megastars such as Craig Lowndes Marcos Ambrose Jamie Whincup and Scott McLaughlin Supercars gives detailed insight into how each and every championship was won tracking the development of the Supercars class between 1993 2010 This comprehensive and absorbing account of a uniquely Australian sport is a must for any race fan s bookshelf **Imaginary**

Penalties Pat Carlen, 2013-01-11 This book is concerned to explore the idea of imaginary penalties and to understand why the management of criminal justice and criminal justice systems has so often reached crisis point Its underlying theme is that when political strategies of punitive populism are combined with managerialist techniques of social auditing a new all encompassing form of governance has emerged powerless to deliver what it promises but with a momentum of its own and increasingly removed from proper democratic accountability A highly distinguished international group of contributors explores this set of themes in a variety of different contexts taken from the UK N America Europe and Australia It will be essential reading for anybody seeking to understand some of the root causes of increasing prison populations social harms such as recidivism and domestic violence and the increasingly important role of criminal justice within systems of governance
