Heidi Murkoff, Sharon Mazel

How To Get Pregnant Whenever You Choose Good Life Series:

What to Expect When You're Expecting Heidi Murkoff, Sharon Mazel, 2008-04-10 Announcing a brand new cover to cover revision of America's pregnancy bible *What to Expect When You're Expecting* is a perennial New York Times bestseller and one of USA Today's 25 most influential books of the past 25 years. It's read by more than 90% of pregnant women who read a pregnancy book, the most iconic must-have book for parents to be with over 14.5 million copies in print. Now comes the Fourth Edition, a new book for a new generation of expectant moms featuring a new look, a fresh perspective, and a friendlier than ever voice. It's filled with the most up-to-date information reflecting not only what's new in pregnancy but what's relevant to pregnant women. Heidi Murkoff has rewritten every section of the book, answering dozens of new questions and including loads of new asked-for material such as a detailed week-by-week fetal development section in each of the monthly chapters, an expanded chapter on pre-conception, and a brand new one on carrying multiples. More comprehensive, reassuring, and empathetic than ever, the Fourth Edition incorporates the most recent developments in obstetrics and addresses the most current lifestyle trends from tattooing and belly piercing to Botox and aromatherapy. There's more than ever on pregnancy matters, practical including an expanded section on workplace concerns, physical with more symptoms, more solutions, emotional, more advice on riding the mood roller coaster, nutritional from low carb to vegan from junk food dependent to caffeine addicted, and sexual, what's hot and what's not in pregnant lovemaking, as well as much more support for that very important partner in parenting, the dad-to-be. Overflowing with tips, helpful hints, and humor, a pregnant woman's best friend, this new edition is more accessible and easier to use than ever before. It's everything parents-to-be have come to expect from *What to Expect*, only better.

Refeathering the Empty Nest Wendy Aronsson, 2023-06-14 Finalist Books for a Better Life Award. A terrific read that offers parents a new way of thinking and being after their last child leaves home. Guy Winch, PhD, author of *Emotional First Aid*. Parents make an enormous emotional and financial investment in raising their children. But children grow up. They move out. They create their own lives and their own homes, and the role of the parent changes, diminishes, and evolves. This life phase has no official name, yet it represents a profound shift from the rigors of daily parenting to a period of self-reflection and reorientation. In this book, Wendy Aronsson centers on that experience, capturing the realities of the emotions and life changes that come on gradually and sometimes proceed in fits and starts. *Refeathering the Empty Nest* is for any parent preparing for a grown child's departure from home and wanting to move forward productively both in their changed parenting role and in their roles as spouse, employee, friend, neighbor, and self. Using real stories throughout, Aronsson shows how people have managed these changes, how they've reignited the passion in their marriages or moved on from bad matches, how they've rediscovered old interests and talents, and how they've reinvented their relationships with their children, as well. These stories provide hope and guidance to anyone whose nest is about to empty, as well as those whose nests already are.
