

Core 105 brings big tax savings for just \$199 one-time fee

One way the self-employed business person can reduce the high cost of health insurance and out-of-pocket medical expenses is to establish a Section 105 Health-Care Reimbursement Arrangement (HRA) One-Person Plan.

HRAs are Medical Expense Reimbursement Plans that allow you to save substantial tax dollars on insurance premiums and out-of-pocket medical expenses not covered by insurance.

Section 105 HRA One-Person Plans are designed specifically for small business owners who are considered self-employed, or the only eligible employee of a Corporation, or who can legitimately hire their spouse.

Aren't These Expenses Already Deductible by the Self-Employed?

Yes; however the deduction are limited as outlined below.

- 100% of health insurance premiums are tax deductible for the self-employed. The self-employed can take this deduction whether they itemize or not.
- However, that 100% health insurance deduction only affects income tax. The 15.3% Self-Employment tax is still paid on insurance premiums.
- When an employer has a Section 105 HRA for one spouse/employee (or for themselves, as an employee), virtually all taxes are eliminated on premiums and out-of-pocket medical expenses paid through the HRA, including FICA/payroll taxes.

The Core Documents Difference

Experience

Core Documents, Inc., has been the leader in affordable Plan Document packages since 1997. That's 20+ years of helping employers and employees avoid paying taxes on health insurance, flex plans, and other health care benefits.

Value

At Core Documents, clients pay once for a Plan Document and they own it. Most of our competitors "rent" their Plan Documents on a yearly basis, requiring an annual update fee.

Truth is, a Plan Document only needs to be updated and renewed when there are sufficient changes in your plan or in tax laws relating to health care to make sense.

Core Documents sends an annual reminder to employers to review their plan for possible changes. We also send alerts when the law changes. And, when there is a need for an update, Core Documents offers the first one at a discount.

Customization

Some companies offering so-called compliant Plan Documents are really just selling boiler-plate templates. The employer enters information, checks the right boxes, and that's your Plan Document.

One Plan Document cannot fit all employer situations equally well. That's why Core Documents will never sell a template. Our order form gathers all the necessary information about your company and your plan. If anything is unclear or more information is needed, our staff will contact you to ensure you receive a detailed, personalized Plan Document package.
