THE ADVENTURES OF HUCKLEBERRY FINN
Study guide – Chapters 38-39

1. "Silence Huck. Lookyonder, where his head's been a-bumping, as he comes back to the boat. Reckon you've been gone a right smart spell, Huck, first and last. Whar's the chicken you've stole for breakfast?"

Jim's story has progressively worked from saving the rafts' fortunes, down towards worse ups. Huck, who was unaware he'd left Jim and fallen asleep, is willing to take him to task. The grandiloquence of "silence" and "yonder" are used also with classic appeal. The comparison also reminds the reader/audience of Huck's low social standing, foreshadowing a necessary climax.

2. Huck's decision not to tell on Jim is a key moment in the book. Why? Whose values have prevailed by this point in the novel? What conflicting loyalties does Huck struggle with in deciding not to tell on Jim?

Huck's faith in himself has been severely shaken and he is desperate to regain it. Ironically, he says to Jim, "Shucks, it ain't no use to talk to you, Jim; you don't understand nothing." Huck's conflicting loyalties are a key part of the experience of the novel. He has learned a lot about himself, Jim, and the world around him. He has come to understand Jim as a person (even though he still considers him his property) and has come to realize that he is willing to "go to hell" for his friend. Huck's moral development is complete.

3. An important issue in Twain's novel and across many literary examinations of the American experience is the concept of "home." What is the significance of Huck's decision to "light out for the territory" at the end of the novel?

Jim is home. In accepting this reality and not trying to take him further north, Huck has finally come to terms with his own "home." Huck's home is not a place, but rather a relationship and a feeling of love and belonging. Jim is willing to risk his life for Huck on a number of occasions, and Huck grows to recognize Jim's humanity. Jim's longing to see his kids is a testament to his love for them. Delivering Jim to freedom would accomplish both Huck's and Jim's goals and would bring them closer together.

4. "Why, since Huck go along with Tom, Tom a adventurous person, he is. You'll see."

Jim's concern for Huck's safety is a key moment in the novel. Jim is also correctly concerned with Tom's plan. Tom's plan is unnecessarily complicated, and Jim is willing to risk his own freedom to help Huck.

5. Compare Tom Sawyer's conversation in Chapter 39 with Huck's conversation with Jim in Chapter 15. Which character is more mature? Explain.

Huck's conversation with Jim is more mature, while Tom's is more childish and immature. Tom's conversation is full of lies. Huck realizes that his decision to help Jim is wrong, but he is willing to "go to hell" for his friend.
