Human Foundations Of Management Understanding The Homo Humanus:

Human Foundations of Management D. Melé, C. Cantón, César González Cantón, 2014-11-30 Human Foundations of Management explores the human foundation of management and economic activity in a way that is accessible to readers The structure and contents of this book examines those aspects of the human being which are relevant to management and economic activities

Alternative Theories of the Firm Michael Pirson, David M. Wasieleski, Erica L. Steckler, 2021-12-28 The Theory of the Firm is commonly viewed as axiomatic by business school academicians Considerations in spanning organizational structures their boundaries and roles as well as business strategies all relate to the Theory of the Firm The dominant Theory of the Firm poses that markets act perfectly to maximize the well being of society when people act to maximize the personal utility of their individual purchases and firms act to maximize financial returns to their owners However burgeoning evidence and discourse across the scientific and policy communities suggests that the economic social and environmental consequences of accepting and applying this theory in the organization of business and society threaten the survival of the human species among countless others This book provides the latest thinking on alternatives to the Theory of the Firm as cornerstone of managerial decision making Authors explore and elucidate theories that help us understand a firm differently and suggest alternatives to the Theory of the Firm This book will be of value to researchers academics practitioners and students interested in leadership strategic management and the intersection of corporate interests and the well being of the society

People and Organizations Valeria Caggiano, Antonio Ragusa, Ema Di Petrillo, 2024-07-08 In today's world where the pursuit of profit often takes precedence over the well being of people and the planet humanistic management offers a refreshing and much needed alternative This book explores the concept of humanistic management as a model for organisations that emphasises individual freedom dignity and ethics and presents practical approaches and challenges for implementing it The author provides a comprehensive overview of the humanistic management approach exploring its values and principles as well as the benefits it can bring to companies employees and society as a whole Through a combination of theory and case studies the book offers insights into the cultural and behavioural changes required for organisations to adopt a humanistic approach to management The book illustrates didactic experiments social and territorial conjunctures intellectual and moral postures Whether you are a business leader manager or management student this book is an essential guide for anyone who wants to create a more sustainable and socially responsible organisation With its clear and insightful analysis of humanistic management it is sure to inspire and inform readers of all backgrounds and lifestyles

Humanizing Business Michel Dion, R. Edward Freeman, Sergiy D. Dmytriiev, 2022-05-30 This book is about humanizing business In contrast to the mainstream modern management and leadership literature this book provides distinctly humane perspectives on business The volume travels outside the world of business to explore what Humanities such as Philosophy History Literature Creative Arts and Cultural Studies can offer to business Renowned scholars from

different Humanities disciplines as well as management researchers exploring the heritage of Humanities convey what it actually means to make business more humane The book strives to humanize business It aims to show that it is not people who have to suppress their human feelings aspirations and beliefs when they are at their workplaces but it is business itself that needs to be redefined by the human norms of human beings Companies should care about their employees and other stakeholders letting them be themselves i e be human at work and beyond The book will be of interest to management scholars across various business disciplines It can also be used as teaching material in the classroom with MBA students especially in Business Ethics Business and Society Sustainability Organizational Behavior Human Resource Management and other management courses The volume will also be of interest to scholars that work in different Humanities fields and whose interests span organizations management and business Finally many practitioners in the business world especially those in managerial and leadership positions will find the book both thought provoking and useful for them as well Chapter 37 is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)

Diversity and Discrimination in Business Ethics, Higher Education and Society Deborah C. Poff, 2025-05-20 This book engages the reader in a critical and necessary examination of the nature and range of behaviours that comprise diversity and discrimination in business and society Discrimination and diversity are vitally important topics in the workplace as the manifestation of discriminatory practices leads to disfunction and a lack of effectiveness and efficiency in workplace settings The chapters in this text not only conceptualize and clarify the meanings of diversity and discrimination but as well nicely unpack various debilitating features of the phenomenon and its various practices This book is of particular interest to faculty teaching in schools of business as well as researchers in business ethics and business management As such it provides an excellent venue for the exploration of the various negative impacts of diversity and discrimination

Business & Management Practices Duygu Firat, Osman Yilmaz, Detelina Smilkova, 2019-12-18 Businesses are important for economic development of nation and increasing of living standards of people Also management is a critical factor for both businesses because it creates utility for businesses All the success and failure depend upon business functions and management In this context this book contains three important factors of business management In the first part of the book covers strategic management subjects especially entrepreneurship and human resource management The second part of the book includes accounting and auditing The third part of the book is about marketing

Human Foundations Of Management Understanding The Homo Humanus Introduction

In the digital age, access to information has become easier than ever before. The ability to download Human Foundations Of Management Understanding The Homo Humanus has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Human Foundations Of Management Understanding The Homo Humanus has opened up a world of possibilities. Downloading Human Foundations Of Management Understanding The Homo Humanus provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Human Foundations Of Management Understanding The Homo Humanus has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Human Foundations Of Management Understanding The Homo Humanus. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Human Foundations Of Management Understanding The Homo Humanus. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Human Foundations Of Management Understanding The Homo Humanus, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have

reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Human Foundations Of Management Understanding The Homo Humanus has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
