Into Your Hand Confronting Good Friday:

Finding Jesus in the Storm John Swinton, 2020-09-22 People living with mental health challenges are not excluded from God's love or even the fullness of life promised by Jesus. Unfortunately, this hope is often lost amid the well-meaning labels and medical treatments that dominate the mental health field today. In *Finding Jesus in the Storm*, John Swinton makes the case for reclaiming that hope by changing the way we talk about mental health and remembering that above all, people are people regardless of how unconventionally they experience life. *Finding Jesus in the Storm* is a call for the church to be an epicenter of compassion for those experiencing depression, schizophrenia, bipolar disorder, and related difficulties. That means breaking free of the assumptions that often accompany these diagnoses, allowing for the possibility that people living within unconventional states of mental health might experience God in unique ways that are real and perhaps even revelatory. In each chapter, Swinton gives voice to those experiencing the mental health challenges in question so readers can see firsthand what God's healing looks like in a variety of circumstances. The result is a book about people instead of symptoms, description instead of diagnosis, and life-giving hope for everyone in the midst of the storm. **Into Your Hand** Walter

Brueggemann, 2014-12-03 This set of seven sermons follows the traditional church sequence of The Seven Last Words of the Cross, utterances that the gospel narratives place on the lips of Jesus. These utterances are drawn from the several gospel narratives. In the liturgical life of the church, however, the sequence has a significance and staying power of its own, quite apart from the gospel narratives in which the utterances are embedded. These sermons take seriously the faith voiced by Jesus in his context of wretched abuse by the Roman Empire. They attempt, moreover, to connect that reality of faith and abuse in our contemporary world of concentrated, ruthless power. The intent of such sermons on Good Friday is to replicate for us in our context what such an interface of faith and abuse must have been like. These sermons were preached last Good Friday in the preacher's home congregation. **Virus as a Summons to Faith** Walter Brueggemann, 2020-04-30 Why bother with the interpretive categories of biblical faith when in fact our energy and interest are focused on more immediate matters? The answer is simple and obvious. We linger because in the midst of our immediate preoccupation with our felt jeopardy and our hope for relief, our imagination does indeed range beyond the immediate to larger, deeper wonderments. Our free-ranging imagination is not finally or fully contained in the immediacy of our stress, anxiety, and jeopardy. Beyond these demanding immediacies, we have a deep sense that our life is not fully contained in the cause and effect reasoning of the Enlightenment that seeks to explain and control. There is more than that and other than that to our life in God's world. *The God of All Flesh* Walter Brueggemann, 2015-11-11 Biblical faith is passionately and relentlessly material in its accent. This claim is rooted in the conviction that the creator God loves and cares for the creation and summons creation to be in sync with the will of the

creator God This collection of essays is focused on the bodily life of the world as it is ordered in all of its problematic political and economic forms The phrase of the title all flesh in the flood narrative of Genesis 9 refers to all living creatures who are in covenant with God human beings animals birds and fish as recipients of God s grace as dependent upon Gods generosity and as destined for praise and obedience to God The insistence on the materiality of life as the subject of the Bible means that the hard issues of economics and the demanding questions of politics are front and center in the text So the Pentateuch pivots around the exodus narrative and the emancipation from an unbearable context of abusive labor practices In like manner the prophets endlessly address such questions of social policy and the wisdom teachers reflect on how to manage the material things of life and social relationships for the well being of the community This accent pervasive in these essays is a powerful alternative and a strong resistance against all of the contemporary efforts to transcend escape the material into some form of the spiritual All around us are efforts to find an easier more harmonious faith This may be evoked simply because life is too hard or more ominously because of a desire to shield economic political advantage from the inescapable critique of biblical faith Such a temptation is a serious misreading of the Bible and a serious misjudgment about the nature of human existence Thus the Bible addressed the most urgent issues of our day and refuses the religious temptation that avoids lived reality where the power of God is a work embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100%

Finding Lost Words G. Geoffrey Harper, Kit Barker, 2017-03-31 The brokenness of this world inevitably invades our lives But how do you maintain faith when overwhelmed by grief When prayer goes unanswered When all you have are questions not answers What do you say to God when you know he is in control but the suffering continues unabated Is there any alternative to remaining speechless in the midst of pain and heartbreak This book is about finding words to use when life is hard These words are not new They are modes of expression that the church has drawn on in times of grief throughout most of its history Yet the church in the West has largely abandoned these words the psalms of lament The result is that believers often struggle to know what to do or say when faced with distress anxiety and loss Whether you are in Christian leadership training for ministry or simply struggling to reconcile experience with biblical convictions Finding Lost Words will help you consider how these ancient words can become your own

Western European and British Barbarity, Savagery, and Brutality in the Transatlantic Chattel Slave Trade Dr. Robinson A. Milwood PhD, 2013-06-14 Man makes history in a fashion and history also makes man As with other men the historical experience of the African over the centuries has had a profound effect on his self image as well as on his perception of the external world Perhaps more than other men the African in pre colonial times developed a strong historical tradition and his perception of himself and his world came to depend very much on his view of the past European colonialism brief as it was produced a traumatic effect largely because it tried to impose on the African a gross distortion of his historical tradition
