Beyoncé in Formation Omise'eke Natasha Tinsley,2018-11-06 Making headlines when it was launched in 2015 Omise eke Tinsley s undergraduate course Beyonc Feminism Rihanna Womanism has inspired students from all walks of life In Beyonc in Formation Tinsley now takes her rich observations beyond the classroom using the blockbuster album and video Lemonade as a soundtrack for vital new millennium narratives Woven with candid observations about her life as a feminist scholar of African studies and a cisgender femme married to a trans spouse Tinsley s Femme onade mixtape explores myriad facets of black women s sexuality and gender Turning to Beyonc s Don t Hurt Yourself Tinsley assesses black feminist critiques of marriage and then considers the models of motherhood offered in Daddy Lessons interspersing these passages with

memories from Tinsley's multiracial family history. Her chapters on nontraditional bonds culminate in a discussion of contemporary LGBT politics through the lens of the internet breaking video. Formation underscores why Beyoncé's black femme inism isn't only for ciswomen. From pleasure politics and the struggle for black women's reproductive justice to the subtext of blues and country music traditions, the landscape in this tour is populated by activists and artists including Loretta Lynn and infused with vibrant interpretations of Queen Bey's provocative peerless imagery and lyrics. In the tradition of Roxanne Gay's *Bad Feminist* and Jill Lepore's best-selling cultural histories, Beyoncé in *Formation* is the work of a daring intellectual who is poised to spark a new conversation about freedom and identity in America.

Confessions of a Video Vixen 20th Anniversary Edition Karrine Steffans, 2025-03-04. Part tell all, part cautionary tale, this emotionally charged memoir from a former video vixen nicknamed Superhead goes beyond the glamour of celebrity to reveal the inner workings of the hip hop dancer industry from the physical and emotional abuse that's rampant in the industry and which marked her own life to the excessive use of drugs, sex, and bling. Once the sought-after video girl, this sexy siren has helped multi-platinum artists such as Jay-Z, R. Kelly, and LL Cool J sell millions of albums with her sensual dancing. In a word, Karrine was HOT. So hot that she made as much as \$2500 a day in videos and was selected by well-known film director F. Gary Gray to co-star in his film *A Man Apart* starring Vin Diesel. But the film and music video sets, swanky Hollywood and New York restaurants, and trysts with the celebrities featured in the pages of *People* and *In Touch* magazines only touches the surface of Karrine Steffans' life. Her journey is filled with physical abuse, rape, drug and alcohol abuse, homelessness, and single motherhood, all by the age of 26. By sharing her story, Steffans hopes to shed light on an otherwise romanticized industry and help young women avoid the same pitfalls she encountered. If they're already in danger, she hopes to inspire them to find a way to dig themselves out of what she knows first-hand to be a cycle of hopelessness and despair.

UPDATE: As the music industry started to have its own reckoning with men who've behaved badly, even criminally, *Confessions* has been discussed in some quarters as an early warning bell with Karrine as a feminist icon who shined a light when no one wanted her to and championed sex positivity before it was embraced. Now she talks about what it has been like to watch the tide turn and the lessons still to be learned.

A Taste for Brown Sugar Mireille Miller-Young, 2014-12-08. *A Taste for Brown Sugar* boldly takes on representations of black women's sexuality in the porn industry. It is based on Mireille Miller-Young's extensive archival research and her interviews with dozens of women who have worked in the adult entertainment industry since the 1980s. The women share their thoughts about desire and eroticism, black women's sexuality and representation, and ambition and the need to make ends meet. Miller-Young documents their interventions into the complicated history of black women's sexuality, looking at individual choices, however small: a costume, a gesture, an improvised line, as small acts of resistance of what she calls illicit eroticism. Building on the work of other black feminist theorists and contributing to the field of sex work studies, she seeks to expand discussion of black women's sexuality to include their eroticism and desires as well as their participation and

representation in the adult entertainment industry Miller Young wants the voices of black women sex workers heard and the decisions they make albeit often within material and industrial constraints recognized as their own **Woman** Karrine Steffans, 2012-10-18 Karrine Steffans has been on an incredible journey since birth Infamous for chronicling her tumultuous youth her questionable life choices and her rise as a New York Times and international best selling author this cultural icon this vixen started with prose Writing since the age of five Steffans was inspired when discovering Edgar Allan Poe at that impressionable age Motivated by her grandfather later that year she aimed for the coveted New York Times best sellers list Twenty years later she made it and it all started with poetry In this booklet the author shares some of her autobiographical poetry once lost and the origin of the inspiration to share them **Speaking in Tongues and Dancing Diaspora** Mae G. Henderson, 2014-05-07 The oral tradition has always played an important role in African American literature ranging from works such as Zora Neale Hurston's *Their Eyes Were Watching God* to Toni Morrison's *Beloved* These and countless other novels affirm the power of sonance and sound in the African American literary canon Considering the wide swath of work in this powerful lineage in addition to its shared heritage with performance Mae G Henderson deploys her trope of speaking in tongues to theorize the preeminence of voice and narration in black women's literary performance through her reconstruction of a fundamentally spiritual practice as a critical concept for reading black women's writing dialogically and intertextually The first half of the book is devoted to influential works of fiction as Henderson offers a series of spirited attentive readings of works by Zora Neale Hurston Alice Walker Sherley Anne Williams Toni Morrison Gayl Jones and Nella Larsen The second half shifts gears to consider the world of female African American performance most notably in the figures of Josephine Baker and the video dancer Drawing on the trope of dancing diaspora Henderson proposes a model of theorizing based on performing testimony and critical witnessing Throughout the book Henderson draws on a history of black women not only in the Pentecostal Holiness Church but also within the traditions of classical Christian African and black diasporic spirituality and performance Ultimately *Speaking in Tongues and Dancing Diaspora* provides a deeply felt reflection on race and gender and their effects within the discourses of speaker listener and audience performer *Erotic Revolutionaries* Shayne Lee, 2010-08-04 Why is there no pro sex contingency in black feminist scholarship Why do so few African American scholars expound on issues celebrating female sexual pleasure Perhaps the answers to these questions reside within a discursive matrix of sexual repression commonly referred to as the politics of respectability and its rein on black sexual politics In *Erotic Revolutionaries Black Women Sexuality and Popular Culture* sociologist Shayne Lee steers black sexual politics toward a more sex positive trajectory Introducing feminist analysis to a conceptual ménage à trois of scripting theory media representation and black sexual politics Lee considers the ways in which the feminist quest for social and sexual equality can delve into popular culture to see the production of subversive scripts for female sexuality and erotic agency Whereas most feminist scholarship underscores how sexual representations of black women in media are exploitative

and problematic Lee portrays black female celebrities like Janet Jackson Beyonc Karrine Steffans Zane Tyra Banks Juanita Bynum Sheryl Underwood and many more as feminists of sorts who afford women access to cultural tools to renegotiate sexual identity and celebrate sexual agency and empowerment Erotic Revolutionaries navigates the uncharted spaces where social constructionism third wave feminism and black popular culture collide to locate a new site for sexuality studies that is theoretically innovative politically subversive and stylistically chic **The Publishers Weekly**, 2009
