Ag in the Classroom Notes ,1988 **I'm Just a Teacher** Michael Floyd,2023-06-26 The author of I m Just a Teacher shares his love of teaching his passion for learning and his art of building relationships with students and their families As a highly imaginative innovative and award winning educator with over fifty years of experience his remarkable lifelong goal has been To Reach Out Touch Others and Make a Difference Over the years he has developed a unique and highly motivational system of project based learning and assessment with multiple pathways fostering greater student engagement and success Today teachers face angry and hostile citizen groups a merciless raging pandemic encounter a lack of respect and waning trust while the nobility of the profession has been run aground For public school teachers some career politicians bent on their unwavering agendas to abandon and bury public education is a continual threat The shortage of teachers is seriously rampant and shortchanging students while overworking current educators The vital academic freedom needed to teach and make a difference in the lives of students is replaced with forced data collection for political reasons The author
