

End of School Letter to Students

I'm glad I was your teacher,
I've come to love you so.

I hate to see you go.
Remember all the fun we had
in all the things we did.
But most of all, remember...
You're a VERY special kid!

I'm Just a Teacher Michael Floyd,2023-06-26 The author of I m Just a Teacher shares his love of teaching his passion for learning and his art of building relationships with students and their families As a highly imaginative innovative and award winning educator with over fifty years of experience his remarkable lifelong goal has been To Reach Out Touch Others and Make a Difference Over the years he has developed a unique and highly motivational system of project based learning and assessment with multiple pathways fostering greater student engagement and success Today teachers face angry and hostile citizen groups a merciless raging pandemic encounter a lack of respect and waning trust while the nobility of the profession has been run aground For public school teachers some career politicians bent on their unwavering agendas to abandon and bury public education is a continual threat The shortage of teachers is seriously rampant and shortchanging students while overworking current educators The vital academic freedom needed to teach and make a difference in the lives of students is replaced with forced data collection for political reasons The author insists that in spite

of these challenges to the profession educators wear many hats and are masters of multitasking Indeed learning can become fun and in his teaching bag the use of humor is a key methodology Learning can be exciting entertaining and challenging in creating a positive and proactive learning environment Knowledge of aikido instills in him a sense of calm confidence and control in the face of adversity It is turning anguish into positive action It enables him to be in charge of the situation and not the situation in charge of him To this day the author firmly believes in teachers trusts in teachers and applauds teachers that shower students with praise compassion solid example and instill hope for a brighter future while unleashing student imagination
