## **How To Worship A Goddess Forgotten Goddesses:**

*Goddess Lost* Rachel S. McCoppin, 2023-02-03 Drawing upon historical archaeological and mythical examples from around the world this book reveals how societal views of female empowerment and authority can be directly traced to the reverence once directed towards female warriors priestesses healers queens pharaohs and goddesses Communities which revered women as sacred idols of their belief systems were far more likely to place women in prominent positions of social or political influence since their members were quite used to envisioning power in the hands of a strong or divine woman The book also explores how goddesses were purposefully devalued during the rise of patriarchal civilizations thus restricting the social importance of earthly women and their accompanying rights One such instance can be found in Greek mythology s Gaia once revered as a dominant earth mother she was replaced by a division of less powerful figures with more socially acceptable feminine roles such as Aphrodite the goddess of love typically held up as an object of male lust Hera the goddess of marriage and childbirth often portrayed as obsessed with jealousy over the extramarital exploits of her husband and the mostly silent goddess of the hearth Hestia The devaluing of once revered goddesses appeared in quite distinct ways across different cultures thus this book breaks down its chapters by global region including Europe the Middle East the Mediterranean India Asia Africa the Americas and Oceania

**A Garland of Forgotten Goddesses** Michael Slouber, 2020-12-22 Imagining the divine as female is rare even controversial in most religions Hinduism by contrast preserves a rich and continuous tradition of goddess worship A Garland of Forgotten Goddesses conveys the diversity of this tradition by bringing together a fresh array of captivating and largely overlooked Hindu goddess tales from different regions As the first such anthology of goddess narratives in translation this collection highlights a range of sources from ancient myths to modern lore The goddesses featured here battle demons perform miracles and grant rare Tantric visions to their devotees Each translation is paired with a short essay that explains the goddess s historical and social context elucidating the ways religion adapts to changing times

When she's invited to spend New Year's Eve at a party at the exclusive Haven Hotel Annabelle plans to indulge herself for one night. She never expected to meet anyone as fascinating as Jared. But when the morning arrives Annabelle returns to her boring life determined to forget a certain playboy. Only Jared isn't as willing to let that one night be the end of their relationship. RESERVE MY NIGHTS Play by the rules and you'll never get what you deserve. For Tyler Golden control is king. That attitude helped him and his brother build Haven, a boutique hotel in Philadelphia. The only thing Tyler couldn't control was his fiancée's death. He's emotionally guarded and unwilling to love again. A relationship isn't in the cards. Kate Song knows the feeling. Her sole focus is her dream to be a lingerie designer. She's not about to be distracted by any man. No matter who he is. Or how intense. Or how captivating. Or so she thought. Tyler has the power to make her all her dreams come true, but should she say yes to a man who wants her to give him everything? Giving her heart and soul might not be possible. Now Tyler may discover that the one woman who taught him to love again is the one woman he might not be able to keep.

The Oxford Handbook of Tantric Studies Payne, 2023-11-15 Since the earliest encounters between tantric traditions and Western scholars, tantra has posed a challenge. Representation of tantra has tended to emphasize the antinomian, decadent aspects, which, as attention-grabbing as they were for Western audiences, hampered the study of the field. The Oxford Handbook of Tantric Studies is intended to overcome these obstacles, facilitating collaboration between scholars working on different forms of tantra and in different disciplines. With more than forty chapters and a global pool of contributors, the Handbook aims to be the definitive reference work in the field, exploring core topics such as action, transformation, embodiment, art, language, and social movements. The first chapter provides an overview of major issues confronting the field today, including debates regarding the definition and category of tantra, historical origins and dating, and recent developments in gender studies and tantra, ethnography and lived tantra, and cognitive approaches to the study of tantra. Using a topical framework, the opening section explores the concept of action, one of the most prominent features of tantra, which includes performing rituals, practicing meditation, chanting, embarking on a pilgrimage, or reenacting moments from a sacred text. From there, the sections cover broad topics such as transformation, e.g., soteriology and healing, gender and embodiment, extraordinary beings such as deities and saints, art and visual expressions, language and literature, social organizations, and the history and historiography of tantra. Keywords: tantric studies, tantra, Buddhism, Hinduism, Jainism, ritual, soteriology, meditation, embodiment, yoga.

*Deadlines & Red Lines* Stephanie Julian, 2020-09-27 A hot hockey hunk falls for the younger woman of his dreams. Looking to score love, Sugar Donahue is determined to live life on her own terms, even if that means working three dead-end jobs to make ends meet. The only bright spot in her day is the moment the hottest player on the Philadelphia Colonial hockey team walks into the diner where she works. Too bad he's so far out of her league; he might as well be on another planet. RJ Mitchell wants Sugar anyway; he can have her on a table up against a wall, whatever he can get. He's at the top of his game and a fan favorite, but his life feels stuck in neutral. He's not willing to risk his heart again after being burned.

badly by a woman he thought he loved He and Sugar create sparks every time they re together but Sugar s insecurities make her feel like she s skating on thin ice with RJ and taking their relationship too far might break her Are they willing to face off at the redline and take the shot to score the love of a lifetime *Merry Hockey Holiday* Stephanie Julian, Two steamy hockey stories perfect for the winter holiday THE PLAYBOY He left her behind to chase his dream Kyle is back in the minors to rehab his career but that s not all he s hoping to fix He wants to win back the girl he left behind But convincing Leah to take another chance on this former playboy will be harder than making it back to the NHL THE COMEBACK KID She s the one who got away Wallflower Emma has had a crush on star athlete Nick since high school but when he left to play professional hockey she wrote him off And still dreams of the one who got away When her college roommate drags her to a Redtails Hockey game Emma is shocked when Nick tracks her down and asks her out When Nick sees Emma at the game he feels like he got an early Christmas present and a second chance This time around he s not giving up on the wary Emma until he gets his holiday wish Emma in his bed and in his life Two steamy contemporary hockey holiday romances for fans of Melanie Harlow Sarina Bowen and Toni Aleo **The Lost Key** Ebrahim Soufiani,2012-10-31 Dr Soufiani founder and director of a civil engineering firm in London is a London University PhD qualified and practising civil and environment engineer He was researcher at University of London research assistant at University of East London and lecturer at Iran University of Science Technology Soufianis passion about Persian literature has steered him to over ten years of extensive research with a great Persian philosopher Manuchehr Jamali Jamali has managed to open up many incredible doors to him in comprehending Persian literature to its true meaning of values love unity and dignity Soufianis understanding of Eastern and Western cultures has given him a great leverage in his exploration of Persian literature in comparison with Western civilization and the lack of democracy in the Middle East With this book he highlights Persian literature as an invaluable asset and the lost key in opening the lock of the declining morality in our modern world and the absence of democracy in the Middle East The world must sincerely assist in exploration of this nations literature for the sake of morality The Middle East must explore and use her own invaluable potential rich literature to rise and fl y from her own ashes to establish the ethical society that will give them the tools for building and establishing the foundation of a democratic system Many Persian poems have been translated throughout this book to highlight the core values of beautiful Persian romantic and humanistic culture

*The Essential City of God* Gregory W. Lee, 2025-04-01 Augustine is the most influential thinker of Western Christianity and City of God is arguably his greatest work After the sack of Rome in 410 many Romans despaired about the future of the empire Critics of Christianity blamed the devastation on the empire s conversion to the faith City of God is Augustine s monumental response to these challenges developed through analysis of Roman society engagement with classical philosophy and extended commentary on Scripture These sprawling discussions yield Augustine s theology of the two cities according to which all people are divided into two communities according to their ultimate loves whether of God or of self Christians are called to love eternal goods over temporal goods even as they seek the peace of the earthly city The length and complexity of City of God make its argument difficult to follow even for specialists This resource abridges Augustine s work and makes it accessible for a wide readership The selections focus on his social and political thought while indicating the larger shape of his work They are accompanied by explanatory notes essays on critical and complex topics and an outline of the entire text These aids will enable readers to experience Augustine s work for themselves The Essential City of God retrieves ancient wisdom for the modern world offering an enduring vision for faithfulness and hope in times of social instability
