

3rd Grade Book Report

Due Date: Monday, December 17, 2012

Shopping Bag Book Report:

Your book report will be different items that are brought to school in a shopping bag.

BAG: You will bring one thing to help you describe each of the following: Setting (Where the story takes place), Main Character (Who the book is about), and Plot (What happened in the book). So, in total, you will have three things in the bag that will help you describe the book you have read. Your bag will be decorated on the outside with things related to your book.

Oral Report You must be able to tell the class about why you brought each item and how it relates to the book that you read. Your oral report should last from 1 to 4 minutes. Please practice your report to make sure that the time is right!

You should also have a 3 x 5 card with the following information: Title, Author, Number of Pages and would you recommend this book to a friend on one side and your name, class number and date on the other side.

This example comes from a book we read in class, *The Miraculous Journey of Edward Tulane*. We would have a bag that contains a toy home, a rabbit, and a map. The toy home would represent the setting of the different homes Edward stayed in during his journey, the rabbit because the main character, Edward is a rabbit and finally a map because Edward travels to many different places in the story.

Have fun with it! I look forward to seeing all of your story bags : -)
