Luzac and co,1901 **White Writers, Race Matters** Gregory S. Jay,2018 Jay shows that this tradition of white authored protest fiction about racism in America remains vital because every generation must relearn the lessons of antiracism and formulate effective cultural narratives for transmitting intellectual and affective sic tools useful in fighting injustice Jane Yolen Carolyn Carpan,2005 A biography of Jane Yolen a prolific and well known writer of juvenile literature **Imitations of Life** Abe C. Ravitz,2009-03-10 In the early 1920s Fannie Hurst s enormous popularity made her the highest paid writer in America She conquered the literary scene at the same time the silent movie industry began to emerge as a tremendously profitable and popular form of entertainment Abe C Ravitz parallels Hurst s growing acclaim with the evolution of silent films from which she borrowed ideas and techniques that furthered her career Ravitz notes that Hurst was amazingly adept at anticipating what the public wanted Sensing that the national interest was shifting from rural to urban subjects Hurst set her immigrant tales and her working girl tales in urban America In her early stories she tried to bridge the gap between Old World and New

World citizens each somewhat fearful and suspicious of the other She wrote of love and ethnicity bringing the Jewish Mother to prominence of race relations and prejudice of the woman alone in her quest for selfhood Ravitz argues in fact that her socially oriented tales and her portraits of women in the city clearly identify her as a forerunner of contemporary feminism Ravitz brings to life the popular culture from 1910 through the 1920s tracing the meteoric rise of Hurst and depicting the colorful cast of characters surrounding her He reproduces for the first time the Hurst correspondence with Theodore Dreiser Charles and Kathleen Norris and Gertrude Atherton Fellow writers Rex Beach and Vachel Lindsay also play important roles in Ravitz s portrait of Hurst as does Zora Neale Hurston who awakened Hurst s interest in the Harlem Renaissance and in race relations as shown in Hurst s novel *Imitation of Life*
