Halls of Fame Murray G. Phillips, 2013-06-17 We live in a museum age and sport museums are part of this phenomenon In  
this book leading international sport history scholars examine sport museums including renowned institutions like the  
Olympic Museum in the Swiss city of Lausanne the Babe Ruth Birthplace and Museum in Baltimore the Marylebone Cricket  
Club Museum in London the Croke Park Museum in Dublin and the Whyte Museum in Banff These institutions are examined  
in a broad context of understanding sport museums as an identifiable genre in the museum age and more specifically in  
terms of how the sporting past is represented in these museums Historians explain debate and critique sport museums with  
the intention of understanding how this important form of public history represents sport for audiences who see museums as
