Intern A Doctor S Initiation:

Intern Sandeep Jauhar, 2007-12-26 Intern is Sandeep Jauhar's story of his days and nights in residency at a busy hospital in New York City a trial that led him to question our every assumption about medical care today Residency and especially the first year called internship is legendary for its brutality Working eighty hours or more per week most new doctors spend their first year asking themselves why they wanted to be doctors in the first place Jauhar's internship was even more harrowing than most he switched from physics to medicine in order to follow a more humane calling only to find that medicine put patients concerns last He struggled to find a place among squadrons of cocky residents and doctors He challenged the practices of the internship in The New York Times attracting the suspicions of the medical bureaucracy Then suddenly stricken he became a patient himself and came to see that today's high tech high pressure medicine can be a humane science after all Now a thriving cardiologist Jauhar has all the qualities you'd want in your own doctor expertise insight a feel for the human factor a sense of humor and a keen awareness of the worries that we all have in common His beautifully written memoir explains the inner workings of modern medicine with rare candor and insight

When Doctors Don't Listen Leana Wen, Joshua

Kosowsky, 2013-01-15 In this examination of the doctor patient relationship Drs Wen and Kosowsky argue that diagnosis once the cornerstone of medicine is fast becoming a lost art with grave consequences Using real life stories of cookbook diagnoses

gone bad the doctors illustrate how active patient participation can prevent these mistakes Wen and Kosowsky offer tangible follow up questions patients can easily incorporate into every doctor s visit to avoid counterproductive and even potentially harmful tests In the pursuit for the best medical care available readers can t afford to miss out on these inside tips and more How to deal with a doctor who seems too busy to listen to you 8 Pillars to a Better Diagnosis How to tell the whole story of your illness Learning test risks and evaluating whether they re worth it How to get a working diagnosis at the end of every doctor s visit By empowering patients to engage with their doctors as partners in their diagnosis When Doctors Don t Listen is an essential guide that enables patients to speak up and take back control of their health care **Heartbeat Interns:**

Love & Lives on Call: Four doctors. One hospital. A hundred heartbeats Black Purple Shadow,2025-05-18 One hospital Four interns A year that changes everything When Aarav Aanya Kabir and Rhea begin their medical internship at the prestigious Sanjeevani Hospital none of them are prepared for what lies ahead Behind the scrubs and stethoscopes are hearts that beat faster for patients for each other and for dreams they barely dare to whisper out loud Each chapter brings a new real life inspired medical case from emergency surgeries to emotional pediatric care psychiatric breakdowns to organ donation dilemmas testing not only their clinical skills but their courage compassion and character As they navigate high stakes decisions and long sleepless nights romance quietly blossoms amidst the chaos Aarav and Aanya clash support and ultimately discover comfort in each other s silences Kabir the charming rebel hides a painful past that slowly unravels as Rhea sees through his mask But just as the bonds deepen and love takes root a single job offer threatens to pull them apart Will their hearts survive what medicine cannot heal Will they follow duty or each other Heartbeat Interns is an emotional rollercoaster of medical realism slow burn romance and heartfelt drama that leaves you asking Where do we go from here
