Invisible Line Rebirth Novella One Of Four:

Invisible Line: Rebirth John Gries,2014-11-08 Nothing is true nothing is false Get used to it and get over it In your defense no one really knows what that even means In fact a focal point in the philosophy of magic is not knowing what the hell you are doing Magic is a fundamental aspect of our universe And like its cousin gravity we can only understand its effects and not its cause We jump we fall down but we do not know why We have a name for why of course but we do not know why In the same manner some of us here on Noan spit fire from our fingertips speak foreign tongues and move mountains with our minds but we do not know why We know how And for most that is enough And why shouldn t it be An intimate familiarity with the inner workings of the omniverse rarely puts bread on the table by itself Diverting a stream to irrigate your field in an afternoon now that puts bread on the table Using telekinesis to put bread physically onto the table puts bread on the table Using telekinesis to put holes in a stranger so you can take his bread puts bread on the table Hiring other people to use telekinesis to put holes in strangers so said strangers don t use telekinesis to put holes in you to the end of taking your physical and or metaphorical bread now that s an economy The finer points of metaphysical discourse are chewed up bastardized spat out and then generally ignored by the sweeping majority of the populous Those who understand even the slimmest fraction of what they are doing and of what is being done to them they become gods Not literally at least in the case of this humble planet but they become the best of the best the worst of the worst and the idlest of the neutral Unfortunately all three are getting into the habit of causing problems for the rest of us So really what all does this mean to Feran Threll at the moment Not a damn thing if you d ask him For all the wonders magic can do not all are equally blessed The less gifted instead find their strength through other means In this case they seek it at the bottom of wine barrels So when it comes to anything relating to well anything that matters in the grand scheme of cosmic thought this is neither the time nor the place Then again nothing is false and nothing is true **Paperbound Books in Print** ,1992 [Rebirth: Villain Daughter](#) , Clinical001,2020-09-19 For the sake of a weak and pure woman with a fake white lotus flower for the sake of letting her sister sit on Lady Shen s seat in an upright manner Shen Xiuze had to strangle himself to death In order to please this so called good sister her father had been imprisoned in a mental hospital her brother had been sold and imprisoned to the point of being abused to death Her name was crossed out from the household book and from then on the only young miss in the Mu family was Mu Junli In this life she was going to stand at the top of the world and be cold hearted and heartless

Rebirth: Powerful Substitute Miss Lang YingYing,2019-11-20 In her previous life she was born into a noble family and was the precious daughter of the Luo Family Yet he was framed by his fianc and his stepmother s daughter buried in a sea of fire It was fortunate that he had been reborn into a girl with the same name as her He had awakened his superpower and from then on he would be on his way to revenge *Rebirth: No.1 Farmer Girl* Nuan FengFuMian,2020-05-31 Guilin Huanhuan who had felt guilty for his entire life had been reborn After her rebirth she vowed to make up for a mistake she

Rebirth: Powerful Substitute Miss Lang YingYing,2019-11-08 In her previous life she was born into a noble family and was the precious daughter of the Luo Family Yet he was framed by his fiancé and his stepmother's daughter buried in a sea of fire It was fortunate that he had been reborn into a girl with the same name as her He had awakened his superpower and from then on he would be on his way to revenge **Rebirth: Daughter of Marquis Ni Zi**,2019-11-10 She had never thought of this Would Little Sister Shu play up to her husband Killed her child Seize her love But when she closed her eyes she knew it was over Returning from a rebirth Little Sister Shu was making things difficult for him He strangled him to death In his previous life her husband had once again fallen for her Sorry She was going at it step by step just wanting those people who had done her harm to pay the price However she did not want a demon level character to barge into her carriage I don't like the way you frown *Rebirth: Don't Provoke Me* Sa BuLiaoFengJiuFaSha,2020-06-30 People who had died once would no longer take things seriously Even though he had been merciful all the way back after he was reborn he could only summarize Yi Dong's words In my previous life I was everyone in this life I was everyone In Jin Chengye's eyes things were much simpler From start to finish there was nothing he could do to provoke Yi Dong and that was all
