Isaac Asimov S Of Facts :

Isaac Asimov's Book of Facts Isaac Asimov,1992 **1,001 Facts that Will Scare the S#*t Out of You** Cary McNeal,2010-03-18 Fact Chocolate contains the alkaloid theobromine which in high doses can be toxic to humans and in even small amounts can kill dogs parrots horses and cats This means that despite its name the Kit Kat candy bar is not a recommended snack for your kitty cat I wonder how many cats have died because of this confusion Fact The most germ laden place on your toilet isn t the seat or even the bowl it s the handle The solution Don t flush Let the next guy worry about it There are just the facts and then there are just the facts that will frighten the bejeezus out of you And thanks to this little gem of a bathroom book you ll never look at the world the same way again without er dry heaving a little bit From the sneaky fish that can swim up our genitals to the E coli bacteria lurking in the very water we drink disturbing phenomena are everywhere we turn Educational entertaining and undeniably horrifying this book isn t guaranteed to help you um go to the bathroom but it s certain to make your time there more informed NASA EP. United States. National Aeronautics and Space Administration,1961 **Science Fact and Science Fiction** Brian Stableford,2006-09-06 Science fiction is a literary genre based on scientific speculation Works of science fiction use the ideas and the vocabulary of all sciences to create valid narratives that explore the future effects of science on events and human beings Science Fact and Science Fiction examines in one volume how science has propelled science fiction and to a lesser extent how science fiction has influenced the sciences Although coverage will discuss the science behind the fiction from the Classical Age to the present focus is naturally on the 19th century to the present when the Industrial Revolution and spectacular progress in science and technology triggered an influx of science fiction works speculating on the future As scientific developments alter expectations for the future the literature absorbs uses and adapts such contextual visions The goal of the Encyclopedia is not to present a catalog of sciences and their application in literary fiction but rather to study the ongoing flow and counterflow of influences including how fictional representations of science affect how we view its practice and disciplines Although the main focus is on literature other forms of science fiction including film and video games are explored and because science is an international matter works from non English speaking countries are discussed as needed **Analog Science Fiction & Fact** ,2008
