

## PROCLAMATION DE L'ISLAM EN FRANCE

### Préambule :

La Grande Mosquée de Paris, institution créée par une loi d'Etat, est consciente de ses responsabilités au sein de la communauté musulmane française, en termes de réflexion, d'interprétation et d'éclairement religieux. Elle sait qu'il est de son devoir d'accompagner les Français de confession musulmane sur leur chemin spirituel.

Elle est soucieuse de la montée en puissance, au sein de la société française et parmi tout un pan de ses élites politiques, médiatiques et intellectuelles, d'une extrême diabolisation de la minorité musulmane : l'islamophobie. Cette dernière est la conséquence de l'islamopsychose, qui est une représentation délirante, c'est-à-dire déconnectée de la réalité, de ce que sont réellement l'islam et les Français de confession musulmane.

Elle s'alarme du fait que l'islamophobie et l'islamopsychose françaises soient de nos jours assurément comparables en gravité à l'antisémitisme français de la fin du XIX<sup>ème</sup> siècle.

Elle condamne la tendance actuelle à vouloir désigner des autorités de tutelle, n'étant pas de confession musulmane, aux fins d'encadrer avec paternalisme l'expression du fait religieux musulman dans la société française : ceci, au mépris de la liberté religieuse et de la séparation des églises et de l'Etat.

Elle s'inquiète de la montée en puissance, au sein de la communauté musulmane française, d'une interprétation erronée de l'islam, reposant sur une lecture du texte sélective, partielle, et au premier degré, qui conduit à l'obscurantisme, à la pédanterie ignorante, à la misogynie, au sectarisme, et au refus des valeurs républicaines. Elle constate toutefois que les prêcheurs de cette lecture égarée de l'islam sont marginaux en France, et que les croyants qui y adhèrent sont minoritaires.

Elle constate que selon les enquêtes sociologiques disponibles les plus récentes, approximativement les trois quarts des Français de confession musulmane vivent déjà dans un islam paisible, tolérant, bienveillant, républicain et laïc.

Elle constate que cette immense majorité des Français de confession musulmane est demandeuse d'un texte de clarification de leurs droits et devoirs dans leur foi.

Ouverte au dialogue spirituel que ce texte ne manquera pas de susciter, la Grande Mosquée de Paris exprime donc par la présente, à l'attention de la communauté musulmane française mais aussi de tous les hommes et femmes de bonne volonté en France et dans le monde, la présente Proclamation.
