Notes and warnings for DL35 in compliance with IEC-348 and FCC A

This instrument of protection class has been constructed and tested in compliance with IEC publication 348, Safety Regulations for Electronic Measuring Instruments, and has left the factory in faultless condition in regard to safety. To maintain this condition and to ensure hazard-free operation, the user must observe the notes and warnings in these operating instructions.

The instrument is intended for indoor use. It can be occasionally exposed to temperatures between +50 °C and -10 °C without any adverse effects on its reliability.

Before switching on, ensure that the operating voltage set on the instrument matches the power supply voltage.

If this instrument is to be operated using an autotransformer and a power supply of higher voltage, it must be ensured that the base of the transformer is connected to the neutral wire of the power supply.

The power connector may be inserted only in a socket with a ground contact. The protective action must not be nullified by an extension lead without an equipment grounding conductor.
