

Task view and virtual desktops

Swipe in from the left edge of the screen or select **Task view**  from the taskbar to see all your open apps. Select an app to focus on or close an app by clicking the X in the upper-right corner of the app.

While you're in Task view, you can create a new virtual desktop by selecting **New desktop** in the lower-right corner. Each virtual desktop can have its own set of open apps. To switch between desktops, open Task view and select a desktop.

For more info, see [Group apps into desktops](#) on Windows.com.

Microsoft Surface Operating And Maintenance Guide

David Baud

Microsoft Surface Operating And Maintenance Guide:

Adopting the Track of Expression: An Psychological Symphony within **Microsoft Surface Operating And Maintenance Guide**

In some sort of eaten by displays and the ceaseless chatter of instantaneous transmission, the melodic beauty and mental symphony produced by the written term frequently diminish in to the backdrop, eclipsed by the constant sound and interruptions that permeate our lives. However, located within the pages of **Microsoft Surface Operating And Maintenance Guide** a marvelous fictional treasure full of fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that interesting masterpiece conducts viewers on a psychological journey, skillfully unraveling the concealed tunes and profound affect resonating within each cautiously crafted phrase. Within the depths of this emotional review, we can discover the book is central harmonies, analyze its enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
