pirates island gold mark ground

Looking for Gold

Some pirates were sailing on a ship. They liked the fresh air and not having any rules. One day, they met more pirates who told them about an island with gold! Both sets of pirates sailed to the island with a map. They got off the ships and looked for the gold using the map. They saw an X to mark the spot and they dug there. There was a lot of gold and they dug up the ground.
