Challenges in Implementing Best Practices in Involuntary Resettlement Jayantha Perera, Amarasena Gamaathige, Chamindra Weerackody, 2016-12-01 Infrastructure projects sometimes physically displace households and disrupt income sources and livelihoods. The Asian Development Bank offers several good governance practices to its borrowers to minimize such adverse impacts especially since the absorption of such best practices by countries is usually slow and erratic. This publication presents an in-depth case study from a complex and sensitive infrastructure project in Sri Lanka where international best practices in involuntary resettlement were successfully merged with local legal systems. The publication demonstrates that the application of best practices to infrastructure projects needs continuous consultations with affected people and a firm commitment of resources.

The Legacy of Stylistic Theatre in the Creation of a Modern Sinhala Drama in Sri Lanka Lakshmi D. Bulathsinghala, 2024-04-30 This book explores the development of Sinhala stylistic drama from its earliest manifestations to the post-independence era. Bulathsinghala examines the impact of indigenous and imported folk theatrical forms on the work of the most significant postcolonial stylistic dramatists and on key plays that they produced. In the process, the book explores a number of myths and misunderstandings regarding Sri Lanka's folk heritage and seeks to establish more reliable information on the principal indigenous Sri Lankan folk dramatic forms and their characteristics. At the same time, by drawing connections between folk drama and the post-independence stylistic theatrical movement, the author demonstrates the essential role of the former in Sinhala culture prior to the advent of Western and other influences and shows how both continue to inflect Sri Lankan drama today. This book will help to open the field of South Asian drama studies to an audience consisting not only of scholars and students but also of general readers who are interested in the fields of drama and theatre and Asian studies.
