Ridgely,2011-11-01 Research in religious studies has traditionally focused on adult subjects since working with children presents significantly more challenges to the researcher such as getting the research protocol passed by the Internal Review Board obtaining permission from parents and schools and figuring out how to make sense of young worldviews The Study of Children in Religions provides scholars with a comprehensive source to assist them in addressing many of the issues that often stop researchers from pursuing projects involving children This handbook offers a broad range of methodological and conceptual models for scholars interested in conducting work with children It not only illuminates some of the legal and ethical issues involved in working with youth and provides guidance in getting IRB approval but also presents specific case studies from scholars who have engaged in child centered research and here offer the fruits of their experience Cases include those that use interviews and drawings to work with children in contemporary settings as well as more historically focused endeavors to use material culture such as Sunday school projects or religious board games to study children s religious lives in past eras The Study of Children in Religions offers concrete help to those who wish to conduct research on children and religion but are unsure of how to get started or how to frame their research **Young Children** ,1974 **National Conference, Early Childhood Education and the Chicanito, Pima Community College, Tucson, Arizona, August 3, 4, 5, 1972** Rafael Chávez,1972 *Learning With the Community* Joseph Erickson,Jeffrey B. bring him out of his life of child labor and adopt him into her family However when the unexpected occurred it became apparent that a different kind of rescue would be needed Deep Waters is the story of how one woman s call to Africa birthed the Micah 6 8 Project to combat the cycle of poverty halfway across the world It is also the story of how unspeakable tragedy gave rise to the founding of Jacob s Wells and how grief transformed the focus of a ministry Within these pages we are invited to follow God into the unknown and experience the amazing events that can happen when a surrendered life collides with a God who is always on the move You hold more than a book in your hands Within this story there is an occasion to bear witness to a God who moves relentlessly through ordinary people Discover in these pages as I did that He intends to rescue and free the most vulnerable often through unusual and surprising means The shores of Heaven will ripple with the miracles logged in this unbelievable story Lauren Alexander Pastor Speaker Foster Care Advocate **English as a Second**

Rush,2017-04-27 The purpose of Your Reasonable Service is to bring clarification to the issue of spiritual gifts A number of important questions about the subject are answered founded in an honest attempt to discover what the Bible says about the gifts How many spiritual gifts are there How do I discover my gift Can I have more than one gift Should I have all the gifts Can I have all the gifts How can I most effectively use my gifts Do my personality traits or natural human abilities have any bearing on my giftedness What is the purpose of spiritual gifts How can I know how other Christians are gifted and what does that mean for me What impact does a proper biblical understanding of the gifts have on the local church If the purpose is to bring clarification the goal is to provide a tool that pastors churches and laypersons can use to determine Gods design for their service to the Lord One area of the Holy Spirits work that surely needs emphasis in the church today is the work that God desires to do through His church by the exercise of the spiritual gifts given to each and every saint The bottom line objective is to help each believer each church member discover their Holy Spirit given motivation for ministry That motivation is your spiritual gift A great motto for a church would be Every member a minister Of course for that to happen the pastor and membership would need to get serious about understanding and discovering the spiritual gifts of each member I believe that any Bible believing church would find the results of such an effort to be a tremendous blessing
