Summary of Good to Great Alexander Cooper, 2021-02-15 Summary of Good to Great Jim Collins's Good to Great examines companies that have not only endured over time but who managed the transition from being good companies to becoming outstanding performers The eleven companies found to have taken this leap managed to outperform the stock market 6.9 times over fifteen years The author set out to understand what distinguished great organizations from a carefully selected group of companies that did not make the grade The research team came up with some unexpected outcomes At the time of the transition from Good to Great all eleven companies were being led by Level 5 Leaders These people showed a unique combination of humility and professional will They were prepared to do anything necessary for the benefit of the organization Level 5 Leaders started out not by plotting the direction of the company but by ensuring that they had all the right people in the right positions Then they confronted the brutal facts of their organization and used this knowledge to ensure that they chose the right direction for the firm Knowing what the organization should be doing and equally importantly what it should not be doing they stuck stubbornly to the plan even when they were in dire

circumstances The culture of discipline within the organization ensured that the path to excellence would eventually be met Patience endurance and discipline doggedly sticking only to what the company did best resulted in outstanding results This investigation of what distinguished the great from the mediocre is an excellent study of what is needed to build great organizations Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book **Summary of Good to Great** Elite Summaries,2018-04-07 Good To Great by Jim Collins Summary Analysis A Smarter You In 15 Minutes What is your time worth Humility is the cornerstone of any successful business The author of Good to Great skilfully outlined all the challenges it takes for a business to sustain long term meaningful growth Jim Collins meticulously outlined that great leaders are not over indulgent or self absorbent but are rather focus on the overall success and growth of their organizations Great leaders are capable of identifying the best possible solution that can optimize even bad or mediocre companies Primarily with effective management skills they have the capabilities to efficiently and effectively transition any company from Good to Great Collins Hedge concept beautifully outlined the process of self discovery Most importantly it teaches that you should find something that you are passionate about once you have discovered that one thing you can put all your passion into it and work assiduously to create your very own success story Detailed overview of the book Most valuable lessons and information Key Takeaways and Analysis Take action today and grab this best selling book for a limited time discount of only 6 99 Written by Elite Summaries Please note This is a detailed summary and analysis of the book and not the original book keyword Good To Great Good to Great by Jim Collins Good To Great book good to great why some companies make the leap and others don t Good To Great kindle Good To Great paperback Jim Collins good to great by jim collins good to great audiobook good to great collins *Summary of Good to Great* Readtrepreneur Publishing,2019-05-24 Good to Great Why Some Companies Make the Leap And Others Don t by Jim Collins Book Summary Readtrepreneur Disclaimer This is NOT the original book but an unofficial summary What are the variables that distinguish a good company from a great one Can your company become great Knowing how to do it is the most important step and Good to Great will be essential on covering that gap Good to Great does its absolute best on providing the knowledge you need to know to make your company distinguish itself from its competition There is no need to settle on good when it can be great and having the best guide at your disposal is the best way to aim for the top Note This summary is wholly written and published by Readtrepreneur It is not affiliated with the original author in any way Great vision without great people is irrelevant James C Collins Being the 1 bestselling book with more than 2 million copies sold Good to Great is the best way to learn how the best companies triumph over others and how your company can be the successful one This book is not meant for settlers it teaches you how to improve your position even if you are not in a bad one Do you want to always strive to the highest mountain Then this book is for you Jim Collins stresses the importance of knowing that your company doesn t have to be born with great DNA to be one of the greats because what s necessary is
