Google Adwords John Slavio, 2017-03-25 If you're reading this, you're probably just starting out with a website. You're looking to monetize or you're hoping to use Google AdWords to increase your business revenue through advertising. Google AdWords is the main source of revenue for the tech giant Google, which has brought standard bearers and advances in search engines, e-mail systems, calendars, advertising, and all sorts of web and web placement codes and services. If you're reading this e-book, you very likely have used a Google product in the last hour of your life. And yet AdWords is the highest earner for Google. What's that all about? This book aims to help you navigate the sometimes confusing world of Internet marketing specifically in the Google AdWords space. We will walk you through the benefits of using AdWords and the types of advertising you can do. We will show you how to set up an account and build a campaign. And finally, we will reveal to you the secrets of keyword selection, the power of ad descriptions, and the best conversion optimization techniques. When you're finished with this book, we're confident that you'll be ready to master AdWords for your business. We hope you'll revisit this book as needed. It is intended to be a great resource.
