It's just getting in front of them that's the challenge. The fact is, most cold calling efforts are doomed from the start. Salespeople lose sales not due to a lack of effort, but because they lack a prospecting system they are comfortable with and can trust to generate greater, consistent results. So if you love to sell but hate or don't like to prospect, this book is your opportunity to maximize your cold calling potential and boost your income by learning how to get in front of the right prospects in less time and create greater selling opportunities without the fear, pressure, or anxiety associated with cold calling.
