

An aerial, high-angle photograph of a complex multi-level highway interchange at night. The image is heavily blurred to create light trails from the headlights and taillights of cars moving through the curves and overpasses of the road system. The scene is illuminated by numerous streetlights, which appear as bright, out-of-focus points of light against the dark sky. The overall color palette is dominated by the cool blues and greys of the night, punctuated by the warm whites and yellows of the artificial lighting.
