Irk Paper 1 Brunei Darussalam:

Globalisation, Education, and Reform in Brunei Darussalam Le Ha Phan,Asiyah Kumpoh,Keith Wood,Rosmawijah Jawawi,Hardimah Said,2021-09-13 This book focuses on the intertwined relationships between globalisation nation building education and reform as manifested throughout the modern history of Brunei Darussalam an Islamic monarchy located on the island of Borneo in Southeast Asia It is the first book dedicated to the examination of Brunei s education system schooling teacher education and society in close connection with the national philosophy Melayu Islam Beraja MIB or Malay Islamic Monarchy The authors provide a historical understanding of the country s education and tell Brunei s story of educational reform and change in its own language narratives accounts and unique standpoints Interdisciplinary chapters draw on significant historical and textual sources in three languages namely Arabic English and Malay to contribute to scholarship on education studies international and comparative education and international and development education *Hong Kong Trade Statistics* Hong Kong Department of Commerce and Industry,1963 Beginning in 1952 each issue with cumulative totals from 1st January **Directory of Special Libraries and Information Centers** ,2002 *Asia-Pacific Regional Security Assessment 2024* The International Institute for Strategic Studies (IISS),2024-05-31 The Asia Pacific Regional Security Assessment APRSA examines key regional security policies and challenges relevant to the proceedings of the IISS Shangri La Dialogue Asia s premier defence summit convened by the International Institute for Strategic Studies IISS It is published and launched at the Dialogue and the issues analysed within its covers are central to discussions at the event and beyond This eleventh edition comes as the APRSA celebrates its first decade A dozen IISS experts reflect on a decade of change and continuity across major security policies and challenges facing the Asia Pacific region Three themes materialise across six chapters the pressure and constraints surrounding great power competition the enduring value of alliances and partnerships and the impact of advanced and emerging technology for regional security dynamics In addition to the introduction the APRSA will now feature a special topic chapter providing a deeper analysis of an enduring security policy and challenge The other five chapters investigate further key dimensions of the regional security environment supported by maps graphs charts and tables The six chapters of this year s APRSA cover the following topics Combined military exercises in the Asia Pacific Crisis management between the United States and China India s defence partnership in the Asia Pacific Diplomatic approaches to managing the Myanmar conflict Disinformation campaigns in the Asia Pacific The Asia Pacific air to air challenge *Lifestyle in Siberia and the Russian North* Joachim Otto Habeck ,2019-11-25 *Lifestyle in Siberia and the Russian North* breaks new ground by exploring the concept of lifestyle from a distinctly anthropological perspective Showcasing the collective work of ten experienced scholars in the field the book goes beyond concepts of tradition that have often been the focus of previous research to explain how political economic and technological changes in Russia have created a wide range of new possibilities and constraints in the pursuit of different ways of life Each contribution is drawn from

meticulous first hand field research and the authors engage with theoretical questions such as whether and how the concept of lifestyle can be extended beyond its conventionally urban Euro American context and employed in a markedly different setting Lifestyle in Siberia and the Russian North builds on the contributors clear commitment to diversifying the field and providing a novel and intimate insight into this vast and dynamic region This book provides inspiring reading for students and teachers of Anthropology Sociology and Cultural Studies and for anyone interested in Russia and its regions By providing ethnographic case studies it is also a useful basis for teaching anthropological methods and concepts both at graduate and undergraduate level Rigorous and innovative it marks an important contribution to the study of Siberia and the Russian North

The South China Sea: The Geo-political Epicenter of the Indo-Pacific? Nguyen Hung Son, Nguyen Thi Lan Anh, 2025-01-16 This open access book focuses on the geopolitical competition in the South China Sea an area with highly concentrated choke points in the Indo Pacific presenting ideas and recommendations to manage this competition and foster cooperation to maintain a peaceful and stable environment and promote sustainable governance of the South China Sea and of the Indo Pacific in a broader sense The increasingly complex geopolitics of the Indo Pacific has made the South China Sea the epicenter of strategic competition between the great powers with a rising China on the one hand and the United States its allies and partners on the other In this strategic chessboard the South China Sea is a test of resilience of the rules based international order such as versus grey zone operations as well as disruptive technological developments in both traditional and non traditional domains The book incorporates foreign policy analysis methods to analyze and forecast key players goals intentions and behaviors within the competitive strategic environment of the South China Sea The success or failure of managing major power competition in the South China Sea one of the hot spots of the Indo Pacific region will determine the future structure of international relations In addition as a dynamically developing region of the world promoting collaborative ideas particularly in areas related to conflict management is essential for maintaining a peaceful and stable environment restoring economic growth and progressing toward a sustainable future This book is of interest to politicians policy makers experts scholars researchers and other readers who are interested in how regional issues can shape the global order
