literature edition **Romeo and Juliet** Jorge González, William Shakespeare, 2012 Romeo Montague and Juliet Capulet fall deeply in love at first sight Fearful of punishment from their respective factions the two teens keep their love hidden However when their love is exposed it adds more fuel to the heated family feud between the Capulets and Montagues and puts their love and their lives at risk Romeo and Juliet William Shakespeare, Tom Kyle, 2008-05 You get all the play's lines but with the easy read of a novel Now the reader knows the characters' actions to whom they speak and in what manner Moments of comic relief become recognizable Shakespeare's words and phrases are untouched but difficult words and phrases are no longer a challenge Alternate words and phrases bracketed just after them remove the challenge The italicized text within the brackets means no interruptions to look at footnotes It may be a novel but it takes great care to cover the play with a thin and delicate coating It agrees with Shakespeare that the play's the thing
