

KATHERINE PARR

COMPLETE WORKS & CORRESPONDENCE

EDITED BY JANEL MUELLER

Katherine Parr Complete Works And Correspondence

Arturo Cuomo

Katherine Parr Complete Works And Correspondence:

Katherine Parr Katherine Parr, 2011-06-15 To the extent that she is popularly known Katherine Parr 1512-48 is the woman who survived King Henry VIII as his sixth and last wife. She merits far greater recognition however on several other fronts. Fluent in French, Italian, and Latin, Parr also began out of necessity to learn Spanish when she ascended to the throne in 1543. As Henry's wife and queen of England, she was a noted patron of the arts and music and took a personal interest in the education of her stepchildren, Princesses Mary and Elizabeth, and Prince Edward. Above all, Parr commands interest for her literary labors: she was the first woman to publish under her own name in English in England. For this new edition, Janel Mueller has assembled the four publications attributed to Parr: *Psalms or Prayers*, *Prayers or Meditations*, *The Lamentation of a Sinner*, and a compilation of prayers and Biblical excerpts written in her hand, as well as her extensive correspondence which is collected here for the first time. Mueller brings to this volume a wealth of knowledge of sixteenth-century English culture. She marshals the impeccable skills of a textual scholar in rendering Parr's sixteenth-century English for modern readers and provides useful background on the circumstances of and references in Parr's letters and compositions. Given its scope and ambition, *Katherine Parr Complete Works and Correspondence* will be an event for the English publishing world and will make an immediate contribution to the fields of sixteenth-century literature, reformation studies, women's writing, and Tudor politics.

The Mysterious Death of Katherine Parr June Woolerton, 2024-05-30 Raises fresh questions about how Katherine Parr actually died and why she was buried so quickly, painting a vivid picture of the last days of a powerful queen. What killed Katherine Parr? She was the ultimate Tudor survivor, the queen who managed to outwit and outlive Henry VIII. Yet just over eighteen months after his passing, Katherine Parr was dead. She had been one of the most powerful people in the country, even ruling England for her royal husband, yet she had died hundreds of miles from court and been quickly buried in a tiny chapel with few royal trappings. Her grave was lost for centuries, only for her corpse to be mutilated after it was rediscovered during a tea party. The death of Katherine Parr is one of the strangest of any royals and one of the most mysterious. The final days of Henry VIII's last queen included a faithless husband and rumours of a royal affair, while the weeks after her funeral swirled with whispers of poison and murder. *The Mysterious Death of Katherine Parr* dives into the calamitous and tumultuous events leading up to the last hours of a once-powerful queen and the bizarre happenings that followed her passing. From the elaborate embalming of her body that left it in a state of perfect preservation for almost three centuries, despite a burial just yards from her place of death, to the still unexplained disappearance without trace of her baby, the many questions surrounding the death of Queen Katherine are examined in a new light. This brand-new book from royal author and historian June Woolerton brings together for the first time all the known accounts of the strange rediscovery of Katherine's tomb and the even odder decision to leave it open to the elements and graverobbers for decades, to ask how did Katherine Parr really die.

Katherine Parr Don Matzat, 2020-12-15 An original new biography of Henry VIII's last wife

Katherine Parr which shows the strength of the Queen's devotion to protestant beliefs over and beyond her political and personal fortunes
