**Fables and the Art of Leadership** Ian I. Mitroff, Donna Mitroff, 2012-12-05. Fred Rogers is one of the great icons of American culture, and the values and philosophy for which he is famous have stood the test of time. *Fables and the Art of Leadership* brings those same values and philosophy to the workplace, where they are now needed more than ever. This unique and timely work is for everyone who aspires to become and be a better leader. Mister Rogers didn't expound abstract principles to help children face up to the problems they faced; instead, he created and told countless fables and stories. Ian and Donna Mitroff's book uses those fables to help managers master the most difficult challenges they face: achieving significant change, fostering creativity, curbing rudeness, promoting leadership, managing crises, and many more. It is their new interpretations for the workplace that will make *Fables and the Art of Leadership* a classic in business studies.

*The Arabic Fable* Ulrich Marzolph, 2025-04-03. This is the first attempt to provide a representative inventory of fables documented in premodern Arabic literature. The introduction presents a detailed effort to define the Arabic fable and a condensed historical survey, together with a short assessment of the content characteristics of the Arabic fable proper. An annotated bibliography discusses significant contributions to the study of the Arabic fable in detail. The book's main body surveys a total of 330 numbered fables with short summaries, exhaustive references, and concise comments. The detailed documentation recognizes the Arabic fable as the long-neglected equal of its dominantly perceived Graeco-Latin sibling.
