*Faithful Witness* Timothy George, 1992      **Faithful Witness** Timothy George, 1966      *Faithful Witness* Timothy George, Vision Video (Firm), 1998-10-01 Dramatic film of the life and work of William Carey missionary to India for over 40 years particularly his struggle against the practice of sati the burning alive of widows with their husbands corpses Accompanying materials for series of study programs about the father of modern protestant missions and the meaning of missions today      **Baptist Mission Portraits** John Allen Moore, 1994 Moore explores the inspirational lives of William Carey Luther Rice Lott Cary William Knibb Adoniram Judson and John Everett Clough in this rich Baptist mission resource for study groups and programs      Missions and Unity Norman E. Thomas, 2010-11-01 This study is the first comprehensive history of the impact of the modern missionary movement on the understanding of and work toward Christian unity It tells stories from all branches of the church Roman Catholic Orthodox and Protestant in its many types conciliar evangelical Pentecostal and independent Part 1 Historical highlights the contribution of modern missions to Christian unity from William Carey and his antecedents and peers to present day missions Part 2 Ten Models of Unity takes an inductive approach to history asking not how should Christians cooperate but how has the missionary movement helped Christians to work together at the local national regional and global level Part 3 Wider Ecumenism broadens the evidence to include how the missions movement has helped not only institutional churches but also broader society to have concern for the unity of the entire human family Included here is the story of how the Protestant missionary movement influenced the forming of the United Nations as well as the drafting of the Universal Declaration of Human Rights The study also covers the movement's impact on Christian attitudes toward and relations with persons of other faiths Mission and Unity is the standard reference work in the field for persons studying modern history modern church history missions and ecumenics      **Introduction to Global Missions** Zane Pratt, M. David Sills, Jeff K. Walters, 2014-07 Comprehensive treatment of the biblical foundation and unique purpose of global missions      The Missionary Call M. David Sills, 2018-07-03 What is God calling you to do Christ called His followers to take the gospel to the ends of the earth Simple enough right But not everyone can go to the ends of the earth or we'd be abandoning the lost here at home So how are people supposed to determine whether they should stay or go whether or not they've received the call This updated edition of The Missionary Call explores the biblical historical and practical aspects of discerning and fulfilling God's call to serve as a missionary Using Scripture and lessons from actual missionaries Dr Sills cuts through the prevailing confusion to offer much needed biblical wisdom and clarity This volume also includes pertinent new content on how business professionals overseas can participate in missions the advantages and disadvantages of using technology to do missions work long distance how globalization and urbanization are changing missions today the pros and cons of short term mission trips and how to do them effectively and more      The Diary of Andrew Fuller, 1780-1801 Michael D. McMullen, Timothy D. Whelan, 2016-10-24 Despite his prominent role during the last quarter of the

eighteenth century in promoting evangelical Calvinism among British Particular Baptists only portions of the diary of Andrew Fuller 1754 1815 one of the most important surviving manuscripts from that century have appeared in print in various volumes published between 1816 and 1882 portions usually inaccurately transcribed and highly editorialized The current edition is the first complete and accurate transcription of Fuller s diary based on the sole surviving volume now residing at Bristol Baptist College This edition with exhaustive identifications notes and valuable appendices for students of Baptist history provides a fascinating glimpse into Fuller s ministry at Soham and Kettering during a period 1780 1801 when he became the titular head of the Particular Baptists as a result of his preaching throughout Northamptonshire and surrounding counties his writing such as his influential work *The Gospel Worthy of All Acceptation* 1785 and his multi national work as founding secretary of the Baptist Missionary Society 1792 a position he diligently maintained until his death in 1815 having left a legacy unequalled by any other minister of his generation

**Theology and Practice of Mission** Bruce Riley Ashford, 2011-09-01 Theology disconnected from mission is not Christian theology at all The pastors professors and missionaries writing *Theology and Practice of Mission* provide a clear biblical theological framework for understanding the church s mission to the nations Toward that goal the book holds three major sections God s mission the church s mission and the church s mission to the nations Part one explores the canon of Christian Scripture from narrative and systematic angles explaining how the mission of God to redeem a people who will be a kingdom of priests to the praise of his glory bear witness to his gospel advance his church and dwell with him forever on a new heaven and earth is communicated in the Bible s four movements Creation Fall Redemption and Restoration Part two sees the mission of God s people in the light of God s mission emphasizing not only preaching and church planting but also gospel witness in every dimension of human culture glorifying God in family church work community through the arts sciences education business and the public square The writers encourage us to live missionally leaving all of our resources at God s disposal for the sake of his kingdom Finally part three contends that the North American church must come to terms with its missional calling just as international missionaries do and gives a starting point and parameters for conceiving the church s mission to all people groups and cultural contexts Chapters here include ones on unreached people groups Muslims Hindus Buddhists and Postmoderns

**Memoirs of the Rev. Samuel Pearce** Michael Haykin, 2017-05-22 Clearly modeled on Jonathan Edwards life of David Brainerd Andrew Fuller s memoir for his close friend Samuel Pearce was written out of the conviction that telling the stories of the lives of remarkable Christians is a means of grace for the church This new critical edition of the memoir is based on the 1808 third edition and documents the way that Fuller modified the text after its original printing in 1800 A substantial introduction discusses the evangelical use of biography sets the memoir in the context of Fuller s literary corpus and provides an overview of Pearce s life touching on areas not fully treated by Fuller

**A Looking-glass for Ladies** Lisa Joy Pruitt, 2005 Lisa Joy Pruitt offers a new look at women s involvement in the mission movement with a welcome focus on the often overlooked

antebellum era Most scholars have argued that the emergence of women as a dominant force in American Protestant missions in the late nineteenth century was an outgrowth of nascent feminist activism in the various denominations This new contribution suggests that the feminization of the later mission movement actually stemmed in large part from images of the degraded Oriental woman that popular evangelical literature had been circulating since the 1790s and that the increasing focus on and involvement of women was supported by male denominational leaders as an important strategy for reaching the world with the Christian gospel In the late eighteenth through the early nineteenth centuries popular evangelical literature began circulating descriptions of women of the Orient designed to illustrate the need of those women for the Christian gospel Such powerful and widely disseminated images demonstrated to young American women their relatively privileged position in society and throughout the nineteenth century led many to support the cause of missions with their money and sometimes their lives A belief in the desperate need of Oriental women for salvation and social uplift was largely responsible for feminizing the American Protestant foreign mission movement *A Looking Glass for Ladies American Protestant Women and the Orient in the Nineteenth Century* traces the creation and dissemination of images of women who lived in that part of the world known to nineteenth century Westerners as the Orient It examines the emotional power of those images to create sympathy in American women for their sisters in Asia That sympathy catalyzed many evangelical women and men to argue for vocational roles for women both married and single in the mission movement The book demonstrates the ways in which assumptions about the condition and needs of Oriental women shaped American evangelical women's self perceptions as well as the evangelizing strategies of the missionaries and their sending agencies **Pastoral Theology in the Baptist**

**Tradition** R. Robert Creech, 2021-10-26 A veteran Baptist pastor and ministry professor offers a distinctive free church vision for pastoral leadership attending to voices from the past four centuries as they speak about the practice of ministry The book contains theological reflection on current ministry issues among Baptists based on biblical and historical foundations and reflects a diversity of Baptist life across time and around the world including many different voices Each chapter contains reflection questions to help readers consider the implications of Baptist thinking Christians and Missionaries in India Robert Eric Frykenberg, Elaine M. Low, 2003 There are now more Christians in Africa and Asia than in the West This book addresses particular aspects of cultural contact with special reference to caste conversion and colonialism *The Great Commission Resurgence* Chuck Lawless, Adam W. Greenway, 2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention's Great Commission Resurgence initiative The Mark of Jesus Timothy George, John Woodbridge, 2005-01-01 How do we as Christians unknowingly block the spread of the Gospel Timothy George and John Woodbridge unpack the blockers that get in the way Ultimately they teach that we must rely on the mark of Jesus genuine sacrificial love to further the good news A fresh new approach to evangelism **Calvinism, Communion and the Baptists** Peter Naylor, 2007-09-01 This book is concerned

with English Calvinistic Baptist churches from the later 1600s until the early 1800s arguing that there was then no connection between restricted communion and hyper or high Calvinism A minimal definition of restricted communion would be the reception at the Baptist communion of those alone who had been immersed in water upon a profession of faith A sketch of English Calvinistic Baptists in the years preceding and following the 1689 Act of Toleration stresses that they were a denomination other than that of the General Baptists and that most Baptists irrespective of party lines were de facto Strict Baptists Historical arguments for and against restricted communion will demonstrate that during that period there was no definitive link between the Particular Baptists communion discipline and their interpretations of Calvinism Attention is given to John Gill's and Andrew Fuller's interpretations of the relation between the atonement and evangelism *Adoniram Judson* Jason G. Duesing, 2012 A new biography of Baptist missionary Adoniram Judson 1788-1850 written to honor the 200th anniversary of his first mission trip from the U.S. to the Far East that would in turn mark the start of Americans joining the modern missions movement *Missiology* John Mark Terry, 2015-09-01 Thoroughly updated and revised with half of the chapters new to the second edition *Missiology* equips the reader with a vast graduate level resource on contemporary missions **A Piety Above the Common Standard** Anthony L. Chute, 2005-05 This book explores the role of Jesse Mercer within these debates as he promoted the first form of the Georgia Baptist Convention His Calvinistic theology governed his actions and life He emphasized missions theological training for pastors and cooperation between churches in fulfilling the Great Commission *Let the Nations be Glad* John Piper, 2020-05-21 Mission is not the ultimate goal of the church Worship is Missions exist because worship doesn't Worship is ultimate John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach Piper offers a biblical defence of God's supremacy in all things providing a sound theological foundation for missions He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise seeking to define the scope of the task and the means for reaching all nations *Let the Nations Be Glad* is a trusted resource for missionaries pastors church leaders youth workers seminary students and all who want to connect their labours to God's global purposes This third edition has been revised and expanded throughout and includes new material on the prosperity gospel
