Faking It Cora Carmack:

The Cora Carmack New Adult Boxed Set Cora Carmack, 2013-11-26 The eBook boxed set collection of Cora Carmack's New York Times and USA Today bestselling New Adult series including the complete novels *Losing It*, *Faking It*, and *Finding It* and novella *Keeping Her*. Plus never before published bonus scenes from *Losing It* and *Faking It*. Cora Carmack, 2013-06-04

Mackenzie Max Miller has a problem. Her parents have arrived in town for a surprise visit and if they see her dyed hair, tattoos, and piercings, they just might disown her. Even worse, they're expecting to meet a nice, wholesome boyfriend, not a guy named Mace who has a neck tattoo and plays in a band. All her lies are about to come crashing down around her, but then she meets Cade. Cade moved to Philadelphia to act and to leave his problems behind in Texas. So far, though, he's kept the problems and had very little opportunity to take the stage. When Max approaches him in a coffee shop with a crazy request to pretend to be her boyfriend, he agrees to play the part. But when Cade plays the role a little too well, they're forced to keep the ruse going. And the more they fake the relationship, the more real it begins to feel. The hot new New Adult title from New York Times bestselling author of *Losing It*. Cora Carmack

The Lost Boys Lilian Carmine, 2013-10-24 Fate has brought them together. But will it also keep them apart? Having moved to a strange town, seventeen-year-old Joey Gray is feeling a little lost until she meets a cute, mysterious boy near her new home. But there's a very good reason why Tristan Holloway is always to be found roaming in the local graveyard. Perfect for fans of Stephenie Meyer and Lauren Kate. *The Lost Boys* is a magical romantic tale of girl meets ghost.

Library Programs and Services for New Adults Kyla Hunt, 2017-10-06 Addressing the needs of new adults, those ages 18-29, in the library is an important challenge. This book explains the needs and wants of new adults in the public library setting and identifies their preferences in physical space, programming, and technology. According to the Pew Research Center's 2015 *Libraries at the Crossroads* Report, 52 percent of people between the ages of 16 and 29 visited a bookmobile or library within the past year. Yet many public libraries' programming and outreach skip over this demographic, jumping from teen services to older adults. *Library Programs and Services for New Adults* provides a road map for including new adults into the family of the small public library and offers a variety of resources and programming ideas that librarians can use immediately. Author Kyla Hunt, a library technology and trends specialist, explains why the needs of new adults are typically overlooked at public libraries, defines who new adults are, and explains why serving their needs is key to the success of today's public libraries. Readers will

come away with an in depth understanding of the mindset and needs of patrons who are 18 to 29 years old and be able to cater to their preferences as they pertain to physical space programming technology and marketing Prequels, Coquels and Sequels in Contemporary Anglophone Fiction Armelle Parey, 2018-09-03 This book offers to delineate a key phenomenon in contemporary Anglophone fiction novel expansion when the plot and characters from a finished novel are retrieved to be developed in new adventures set before after or during the narrative time of the source text If autographic and allographic sequels are almost as old as literature prequels that imagine the anteriority of a narrative and coquels that develop secondary characters in the same story time as the source text are more recent The overall trend for novel expansion spread in the mid 1980s and 1990s and has since shown no sign of abating This volume is organised following three types of relationships to the source texts even if these occasionally combine to produce a more complex structure This book comprises 11 essays preceded by an introduction that examine narrative strategies aesthetic ethical and political tendencies underlying these novel expansions Following the overview provided in the introduction the reader will find case studies of prequels coquels and sequels before a final chapter that encompasses them all and more **All Lined Up** Cora Carmack, 2014-05-13 New York Times and USA Today bestselling author Cora Carmack follows up her trio of hits *Losing It* *Faking It* and *Finding It* with this thrilling first novel in an explosive series bursting with the Texas flavor edge and steamy romance of *Friday Night Lights* In Texas two things are cherished above all else football and gossip My life has always been ruled by both Dallas Cole loathes football That s what happens when you spend your whole childhood coming in second to a sport College is her time to step out of the bleachers and put the playing field and the players in her past But life doesn t always go as planned As if going to the same college as her football star ex wasn t bad enough her father a Texas high school coaching phenom has decided to make the jump to college ball as the new head coach at Rusk University Dallas finds herself in the shadows of her father and football all over again Carson McClain is determined to go from second string quarterback to the starting line up He needs the scholarship and the future that football provides But when a beautiful redhead literally falls into his life his focus is more than tested It s obliterated Dallas doesn t know Carson is on the team Carson doesn t know that Dallas is his new coach s daughter And neither of them know how to walk away from the attraction they feel **Faking**
