God Is Others-Minded Study Guide Denise Renner, 2023-12-01 There is Power in Your Testimony Your testimony no matter how small it may seem to you has eternal value and worth Each time you share with others what God has done in your life God's delivering power is made available to those who hear it And there is someone waiting to hear what God has done in your life When God's power touches a life to bring deliverance and freedom that power does not disappear it is contained within the testimony Join Denise Renner as she shares a few of her own testimonies and the delivering power of the testimonies recorded in the Bible of Esther David Paul Timothy and others who were others minded In these four lessons you will discover The power of God is in your testimony Your testimony has eternal value Someone is waiting for your testimony What you have to give is so valuable Someone is waiting for the message of hope and the truth that will set them free That is the power of your testimony and the power of God is in it *Bible Healing Study Course* Kenneth E. Hagin, 2002-04-01 These classic Bible Study Courses by Rev Kenneth E Hagin have been reedited to include chapter review questions to further enhance your study of God's Word These teachings on the vital subjects of faith prayer the Holy Spirit and His gifts and healing will show you how to live a life of victory and abundance Have you ever wondered if healing is for you today Some Christians believe that God put sickness on them for a purpose But in order to see God we must look at Jesus Did Jesus ever put sickness on anyone When people came to Him for healing did He turn them away No Not once Jesus went about doing good and healing The Bible Healing Study Course provides scriptural proof that it is God's will to heal you Your healing is an accomplished fact and this invaluable Bible Study Course shows how you can make the promise of healing a reality in your life Chapter titles include Healing God's Will for You Healing Is a Good Gift Roadblocks to Healing The Laying On of Hands Faith and Power Two Ingredients for Receiving Healing The Healing Anointing *Seeing Angels Study Guide* Joshua Mills, 2019-09-03 Joshua Mills's book *Seeing Angels* is one of the most in depth scriptural examinations of angelic ministry by one of the cutting edge charismatic leaders in the church today Joshua goes beyond the usual takes on angels regarding spiritual warfare and explores who they are how to recognize them what they do and how to cooperate with them in your life This companion study guide designed for both individual and group study will help readers

delve deeper into the meaning of angels and apply these miraculous truths The Actions and Personality of the Holy Spirit Rick Renner, *SCM Studyguide: Philosophy and the Christian Faith* Ben Pugh ,2018-12-04 The challenges that Western culture keeps posing to the Christian faith are ever new The goal posts keep changing This study guide will equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes shows itself in Sunday morning worship *If God Wants Me Well, Why Am I Sick?* H L Ford,2011-08-01 A paralyzed youth declares his faith gets out of bed and walks A permanently injured pilot determines to fly again and regains perfect health A woman battles breast cancer with only her faith in God and recovers While a reporter explores these and many other supernatural healings she discovers not one person ever doubted it was Gods will to heal Ford asked the universal questions while exploring the scriptures in support of these miracles Before she completed the book she took hold of truth and experienced her own healing from a painful condition she had suffered for more than twenty years Here is a set of tools weapons of warfare gleaned from victorious believers these are tools you can wield as you develop your own faith for healing The study questions are insightful thought provoking and faith building God truly rewards those who diligently seek Him He promises that if you seek you shall find This book is for those who seek knock and ask until they find the victory

Deliverance and Healing for All Rev. Ibet N. Toltowicz Evangelist,2019-09-09 He was afraid to open them but hesitantly opened his eyes at my insistence When he began to look around he could not see the spirit anywhere He continued to look all over but the spirit that had tormented and tracked him all of those long years was instantly gone Praise and glory and honor be to our God At that moment I knew that this young man realized that God s power was greater than Satan s

Christianity in Crisis Study Guide Hank Hanegraaff,1994-09-15 The author of the 100 000 bestseller Christianity in Crisis now offers an exciting companion to this revealing book about the Faith Movement This study guide follows the book chapter by chapter and enables Bible students to interact directly with Scripture about many issues distorted by the Faith teachers

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives

insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

Bible Faith Study Course Kenneth E. Hagin, 1974 **Word and Power** Gareth W. D. Stewart, 2015-02-16
Historically, the Reformed and Charismatic streams have seemed to be almost mutually exclusive. In recent years, this exclusivity has been being challenged by a new generation of Reformed thinkers. This work aims at considering the contribution of John Wimber, the late leader of the Vineyard Churches, to contemporary theological reflection within the Reformed tradition. Taking into account John Wimber's unique theology of the radical middle, which is somewhere between Pentecostal and Evangelical, this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty-first century. Written from a confessional Presbyterian context in Northern Ireland, *Word and Power* places Wimber in his theological context and asks whether Wimber's view of power, evangelism, discipleship, formation, and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today.

Times of Perseverance Gregg L. Grossman, 2021-07-12
Times of Perseverance: Hope and Healing on the Battlefields of Life is a gripping narrative chronicling a Jewish man's tenacious survival from personal and family traumatic brain injury while capturing a transparent glimpse into the soul of a wounded man. His brother's severe traumatic brain injury reveals that God leads a person to himself in times of tragedy. Moreover, his near-death experience, which was a result of human error, teaches about God's forgiveness from Scripture. This is not only a story of a Jewish man coming to faith in Jesus Christ and his theological progression to becoming a Messianic Jew; rather, it encapsulates a genuine longitudinal account of overcoming life adversity and grief while providing hope, encouragement, and inspiration to the wounded of society. Gregg's experiential account of loss from the coronavirus breathes comfort into the wearied soul, contemplating meaning to life in this twenty-first century postmodern era. Hence, this poignant story inspires the reader to
