Revelation from Now to Forever John Barnett, 2004 What Do the Amish Believe? Aneko Press , MAP Ministry, 2017-07-01 The majority of Amish and conservative Mennonites are certain concerning church and lifestyle practices but are content to avoid diving into most deep biblical topics That lack made compiling this book a bit of a challenge so we drew heavily from The Dordrecht Confession of Faith and information provided by Anabaptist scholars of today to make sure we accurately portray what the majority of plain people believe Each chapter focuses on one important biblical topic and is essentially an Amish and Mennonite systematic theology study In addition each section includes a closer look at what the Bible teaches about each topic That biblical context makes this an informative resource for those who wish to know more about the plain people and a helpful book for Anabaptists who wish to better understand what they themselves are being taught and believe This study defines Who is God the Father Who is Jesus Christ Who is the Holy Spirit What is the Bible What and Who is the Church What are Angels Demons and Satan What is Humanity and Who are Men and Women What Happens at the End Engaging the Doctrine of Marriage Matthew Levering, 2020-08-12 This book is the next volume in Levering s Engaging Doctrine series The prior volume of the series examined the doctrine of creation The present volume

examines the purpose of creation the marriage of God and humans God created the cosmos for the purpose of the marriage of God and his people and through his people the marriage of God and the entire creation Given that the central meaning or prime analogate of marriage is the marriage of God and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme After a first chapter defending and explaining the biblical witness to the marriage of God and his people the book explores various themes marriage as an image of God original sin as the fall of the primordial marriage the cross of Jesus Christ and marital self sacrificial love the procreative and unitive ends of marriage marriage as a sacrament and marriage s importance for social justice and for the upbuilding of the kingdom of God Along the way the book provides an introduction to the key biblical patristic medieval modern and contemporary thinkers and controversies regarding the doctrine of marriage

Kelleman, 2015-09-01. How does a person learn to counsel others with the truth of God's Word? Bob Kelleman believes that the best way to learn counseling is by doing it—by giving and receiving biblical counseling in the context of real, raw Christian community. *Gospel Conversations* explores the four compass points of biblical counseling: Sustaining, It's Normal, to Hurt, Healing, It's Possible, to Hope, Reconciling, It's Horrible, to Sin, but Wonderful, to Be Forgiven, Guiding, It's Supernatural, to Mature. These four compass points combine to equip readers to develop twenty-two ministry relational competencies—the how-to of caring like Christ. This book serves as a practical training manual that can be used for large and small group interaction. *Gospel Conversations* is the second volume in *The Equipping Biblical Counselors Series*, a comprehensive relational training curriculum for the local church that provides a model for equipping God's people to change lives with Christ's changeless truth. This two-volume series weaves together comprehensive biblical insight with compassionate Christian engagement.
