Women's History Annette Kar Baxter,1984 Resources in Education ,2001-04 **No Regrets in the Evening of Life** Neville Buch,2018-03-14 The type of local and school history before the reader may be unfamiliar It is a definitive and scholarly history in the style of many grammar school histories in Queensland Although it is not unknown for Australian public and private schooling it is unique for Queensland state schools By saying it is a definitive and scholarly history what is meant is not that the history is complete only that it reaches decisive conclusions in a substantive treatment In this particular case the historian is someone who has been trained at the level of a higher degree *American History: Selected topics in twentieth century history* Warren Susman,John Whiteclay Chambers,1983 **James Still** Carol Boggess,2017-10-27 James Still 1906 2001 first achieved national recognition in the 1930s as a poet and he remains one of the most beloved and important writers in Appalachian literature Though he is best known for the seminal novel *River of Earth* which *Time* magazine called a work of art and which is often compared to John Steinbeck's *The Grapes of Wrath* as a poignant literary exploration of the Great Depression Still is also recognized as a significant writer of short fiction His stories were frequently published in outlets such as the *Atlantic* and the *Saturday Evening Post* and won numerous awards including the O Henry Memorial Prize In the definitive biography of the man known as the dean of Appalachian literature Carol Boggess offers a detailed portrait of Still Despite his notable output and importance as a mentor to generations of young writers Still was extremely private preferring a quiet existence in a century old log house between the waters of Wolfpen Creek and Dead Mare Branch in Knott County Kentucky Boggess who befriended the author in the last decade of his life draws on correspondence journal entries numerous interviews with Still and his family and extensive archival research to illuminate his somewhat mysterious personal life *James Still A Life* explores every period of Still's life from his childhood in Alabama through the years he spent supporting himself in various odd jobs while trying to build his literary career to the decades he spent fostering other talents This long overdue biography not only offers an important perspective on the author's work and art but also celebrates the legacy of a man who succeeded in becoming a legend in his own lifetime **Naval History 1990** Paul Stillwell,1991 Bound by year of publication these volumes each contain the year's issues of the Naval Institute's *Naval History* magazine Through gripping firsthand accounts exhaustively researched yet entertainingly written narratives and interviews with notable naval veterans and the world's foremost historians *Naval History* offers the best in historical literature and art from ancient Greek mariners through the Age of Sail to the World Wars Korea Vietnam and beyond all with a distinctly salty flavor *Naval History* ,1990 **Research in Education** ,1974 *Early Holistic Scoring of Writing* Richard Haswell,Norbert Elliot,2019-11-01 What is the most fair and efficient way to assess the writing performance of students Although the question gained importance during the US educational accountability movement of the 1980s and 1990s the issue had preoccupied international language experts and evaluators long before One answer to the question the

assessment method known as holistic scoring is central to understanding writing in academic settings Early Holistic Scoring of Writing addresses the history of holistic essay assessment in the United Kingdom and the United States from the mid 1930s to the mid 1980s and newly conceptualizes holistic scoring by philosophically and reflectively reinterpreting the genre's origin development and significance The book chronicles holistic scoring from its initial origin in the United Kingdom to the beginning of its heyday in the United States Chapters cover little known history from the holistic scoring of school certificate examination essays written by Blitz evacuee children in Devon during WWII to teacher adaptations of holistic scoring in California schools during the 1970s Chapters detail the complications challenges and successes of holistic scoring from British high stakes admissions examinations to foundational pedagogical research by Bay Area Writing Project scholars The book concludes with lessons learned providing a guide for continued efforts to assess student writing through evidence models Exploring the possibility of actionable history Early Holistic Scoring of Writing reconceptualizes writing assessment Here is a new history that retells the origins of our present body of knowledge in writing studies *The Publishers' Circular and Booksellers' Record*, 1919
