History A-Level (ZIMSEC) Past Exam Questions and Model Answers David Chitate ,2024-06-06 This book contains the most comprehensive question bank and model answers for ZIMSEC A Level History exam questions It also includes syllabus review notes and exercises History subject Examiners provide observations and tips and point out common errors that students make when answering questions If you use this book faithfully it will be almost impossible for you to fail Use this book and earn yourself a Grade A in History **Zimbabwe** Brian Raftopoulos,Tyrone Savage,2004 The author is from the Institute of Development Studies at the University of Zimbabwe He examines the paradox ensuing from the Lancaster House Settlement at Zimbabwe s independence that whilst colonial rule was ended the framework was provided for continued white privilege on the basis of control of the economy by this elite and through them transnational capital He analyses the responses of the ruling including official elite the black petty bourgeoisie and the group associated with the former Rhodesian Front **Labour and Economic Change in Southern Africa c.1900-2000** Rory Pilosof,Andrew Cohen,2021-06-03 This book explores the social and economic development of Zimbabwe Zambia and Malawi over the course of the twentieth century These three countries have long shared and interconnected pasts All three were drawn into the British Empire at a similar time and the formation of the ill fated Federation of Rhodesia and Nyasaland formally linked these countries together for a decade in the mid twentieth century This formal political relationship created dynamics that resulted in yet closer economic and social links After Federation the economic realities of industry transport and labour supplies meant that these three countries continued to be intricately interconnected Yet despite these connected pasts comparative work on the economic histories of Malawi Zambia and Zimbabwe and how these change over time is rare This book addresses the gap by providing the first comprehensive collection of labour and census data across the twentieth century for these three countries The different economic models and performances of these states offer good comparison allowing researchers to look at different models of development and how these played out over the long term The book provides data on population growth and change industrial and occupational structure and the various shifts in what the economically active population did It will be useful for historians economists development studies scholars and non governmental organisations working on twentieth century and contemporary southern Africa **KCSE Revision History and Government Paper 2, Second Edition** A. Omato Maranga,2001 Economics for the Wilds Edward B. Barbier,Timothy M. Swanson,2019-09-18 Originally published in 1992 Economics for the Wilds argues that an economics that properly values the resources of the wilds offers the best long term security for their future Most of the world s wilds have in fact always been utilized by local societies who have managed their resources sustainably and one important guarantee for their preservation is therefore the continued participation of those communities and an adequate reward to them for their management The book looks at the complexity and global nature of the issues at the application of economics to the wilds and at the policies for their

conservation and sustainable management which then result It also examines specific forms of utilization of wild species and habitats both sustainable and unsustainable and including community based development tourism the use of rainforest products poaching and the impact of conservation on wildlife use The book concludes that a comprehensive utilization strategy for wild resources is needed to ensure their continued existence and the continued flow of benefits from them

Historical Abstracts ,1990 **Occasional Papers** ,1993 Agricultural Land Redistribution Hans P.

Binswanger-Mkhize,Camille Bourguignon,Rogierus Johannes Eugenius van den Brink,2009-01-01 Despite 250 years of land reform all over the World important land inequalities remain especially in Latin America and Southern Africa While in these countries there is near consensus on the need for redistribution much controversy persists around how to redistribute land peacefully and legally often blocking progress on implementation This book focuses on the how of land redistribution in order to forge greater consensus among land reform practitioners and enable them to make better choices on the mechanisms of land reform Reviews and case studies describe and analyze the al **Bantu Authorities** Veronica

Ehrenreich-Risner,2022-02-18 In Bantu Authorities Apartheid s System of Race and Ethnicity Veronica Ehrenreich Risner provides the first holistic study of the Bantu Authorities BA system that implemented rural apartheid The system extended segregation by including ethnos theory to establish underfunded self governing homelands to curb the expense of native administration yet retain control of the cheap labor upon which white capital depended Based on over sixty interviews with Zulus and former commissioners and archival research Bantu Authorities proves the primary objective of the system was to protect white capital with white racial purity secondary Ehrenreich Risner argues that the system disrupted the Brownlee tradition of guardianship for commissioners and the tradition of reciprocity for ubukhosi Bantu Authorities ends by examining the lingering consequences of rural apartheid and asks what rural Africans have gained with majority rule when they remain bound to BA structures **African Agency and European Colonialism** Femi James Kolapo,Kwabena O.

Akurang-Parry,2007 This work provides insights into important moments in the European colonization project in Africa and into structural intersections between the active agents of colonialism and the different layers of Africa s socio political structures It reveals the indispensability of the African peoples their pre colonial establishments and knowledge of the colonial encounter The book also clarifies the significant impact that African people s choices chances mistakes and internal politics had in structuring their colonial experience and European dominance Colonized Africans and colonizing Europeans had to negotiate the nature of their relationship the grid nexus and hierarchy of colonial power and authority were constantly under construction deconstruction and reconstruction African Agency and European Colonialism expounds upon these beclouded features of Africa s engagement of colonialism It is appropriate for students scholars political analysts sociologists and other professionals interested in the social and political history of Africa Book jacket
