

Survey of the machine

Unpacking

Place the machine on the table and remove the plastic wrapping. Remove the top plate which can later be used to control the machine. Store the accessories box with the foot control on the left side of the machine.

Place the machine clean before you start sewing and be especially careful with the presser foot and the needle around the machine. The machine is equipped with a number of presser feet and these are placed in their plastic bags. Remember the pressing of the accessories, presser feet in bags is under "Accessories box".

The machine has light to change the equipment of the machine without great notice.

Putting the machine away

Put the presser foot on the left side and the needle on the machine. Store the needle around your hand, starting on the foot control and push them into the control compartment.

Make sure that all accessories and the foot control are correctly placed on the box.

The bottom of the foot control should be turned around the machine. Store the accessories box and press. Lower the presser foot.

To remove the presser corner, drop the handle by moving the handle, the machine can easily be transported.
