Jackies Week English Edition:

Reading Jackie William Kuhn, 2011-11-29 Jacqueline Kennedy Onassis never wrote a memoir but she told her life story and revealed herself in intimate ways through the nearly 100 books she brought into print as an editor at Viking and Doubleday during the last two decades of her life Many Americans regarded Jackie as the paragon of grace but few knew her as the woman sitting on her office floor laying out illustrations or flying to California to persuade Michael Jackson to write his autobiography William Kuhn provides a behind the scenes look at Jackie at work commissioning books and nurturing authors helping to shape stories that spoke to her Based on archives and interviews with her authors colleagues and friends Reading Jackie reveals the serious and the mischievous woman underneath the glamorous public image *Jackie Coogan: The World's Boy King* Diana Serra Cary, 2004-09-01 Discovered by Charlie Chaplin in 1919 four year old Jackie Coogan soared to overnight stardom for his title role in the silent masterpiece The Kid A string of successes followed including Peck s Bad Boy Oliver Twist and A Boy of Flanders earning Coogan a fortune of four million dollars Dubbed The Millionaire Kid by the press he later had to sue his parents in a futile attempt to recover his squandered fortune His later years were marked with penury and the cruel diminishment of his childhood fame As an adult he found work in character roles and gained unexpected but fleeting fame as Uncle Fester in the series The Addams Family He continued to make guest appearances on television until his death in 1984 In Jackie Coogan The World s Boy King Diana Serra Cary reveals the little known and even less understood private life of this famous child star and his dysfunctional family She looks at the highs and lows of an actor who reached the height of fame before ten and whose subsequent career took an inevitable fall Cary also examines the conduct of Coogan s parents whose behavior served as an unfortunate model for countless others who sought fame and fortune through their children s success The author a major child star the former Baby Peggy employs her own hard won insight to explore the career and family woes of another in this fascinating account about one of the greatest child stars of all time Includes more than 30 photos *Jackie* Sam Newsome, 2013-10 Jackie chronicles the life of a young man born to misfortune As a child he is labeled as mentally challenged He suffers an abusive home life and the torment of bullies at school Soon he is judged uneducable and relegated to homeschooling that is no more effective than the classroom He is left without a formal education Thirteen years later he is reunited with an old classmate Jimmie who is now a recent college graduate Circumstances reunite the old acquaintances when Jackie s mother becomes ill Together they discover that Jackie has a secret ability and enormous untapped potential That ability enables the friends to discover and expose deeply seated local government corruption and create a future for Jackie Friendship luck and Jackie s special talent are the springboard that propels him on a journey to fulfill his destiny **Jackie: Public, Private, Secret** J. Randy Taraborrelli, 2023-07-18 THE INSTANT NEW YORK TIMES BESTSELLER From the New York Times bestselling author of Jackie Janet Lee comes a fresh and often startling look at the life of the legendary former first lady Jacqueline Kennedy Onassis Based on hundreds of

interviews with friends family and lovers over a thirty year period as well as previously unreleased material from the JFK Library Kennedy historian J Randy Taraborrelli paints an unforgettable new portrait of a woman whose flaws and contradictions only serve to make her even more iconic I have three lives Jackie told a former lover public private and secret In this revealing biography readers will become intimately familiar with all three New insights from the book include Jackie s cold feet before her wedding to Jack Kennedy and her secret plan to avoid moving into the White House with him Jackie s plan to meet with the woman with whom her husband Aristotle Onassis was again having an affair Maria Callas and why in the end she decided against it The truth about the nude photos of Jackie which scandalized her in the 1970s and which family member had betrayed her by selling them Her unusual relationship with Maurice Templesman which was never what outsiders believed it to be The never before reported last ditch efforts to save Jackie s life with experimental cancer treatments and the doctor who wouldn t risk jail time in order to treat her Decades after her death and over sixty years after the assassination of President Kennedy Jackie delivers the last word on one of the most famous women in the world The Feminist War on Crime Aya Gruber,2020-05-26 Many feminists grapple with the problem of hyper incarceration in the United States and yet commentators on gender crime continue to assert that criminal law is not tough enough This punitive impulse prominent legal scholar Aya Gruber argues is dangerous and counterproductive In their quest to secure women s protection from domestic violence and rape American feminists have become soldiers in the war on crime by emphasizing white female victimhood expanding the power of police and prosecutors touting the problem solving power of incarceration and diverting resources toward law enforcement and away from marginalized communities Deploying vivid cases and unflinching analysis The Feminist War on Crime documents the failure of the state to combat sexual and domestic violence through law and punishment Zero tolerance anti violence law and policy tend to make women less safe and more fragile Mandatory arrests no drop prosecutions forced separation and incarceration embroil poor women of color in a criminal justice system that is historically hostile to them This carceral approach exacerbates social inequalities by diverting more power and resources toward a fundamentally flawed criminal justice system further harming victims perpetrators and communities alike In order to reverse this troubling course Gruber contends that we must abandon the conventional feminist wisdom fight violence against women without reinforcing the American prison state and use criminalization as a technique of last not first resort
