observes abortion does not liberate women it frees male sexual aggression Abortion is the ultimate get out of jail free card for men with non committal sex lives Another agenda is at work as well Men use abortion to advance their racist eugenic and population control dreams and schemes as Fisher shows citing their own words And if men gave us abortion men can end it as well Fisher outlines why and how and urges men to take up the task with courageous women He lays out a five point plan for men to with humility faithfulness and relentless perseverance commit our time resources energy heart and testimony to ending abortion in America Karen Brown's New England Karen Brown,Jack Bullard,2006 With its four seasons and geographic diversity New England is a wonderful travel destination at all times of the year though many consider that it is at its most outstanding in the fall Six regional itineraries cover the six states from Cape Cod and the Byways of Coastal Maine to glorious fall foliage routes Over 160 personally selected places to stay from sophisticated bed breakfasts to upmarket city hotels
