Fables Unit Project Based Learning:

Teaching Chinese Language in the International School Context Jia-Fei Hong, Chung-Mou SI, 2023-11-29 This book explores the learning and teaching of K-12 Chinese language in international schools. The authors of this book are scholars from teaching training institutions and universities as well as professional frontline teachers. With a combination of the works and insights from both perspectives of theory and practice, the book presents how theories of teaching can be operated in the classroom to improve the effectiveness of language teaching. It covers curriculum setting design of teaching materials, teaching principles, methods, strategies, and evaluation. The book also discusses issues and concepts such as concept-driven learning, identity change, and recognition of L1 and L2 Chinese teacher pinyin teaching, Chinese character teaching, evaluation for learning improvement, and integration of South Asian non-Chinese speaking students into local schools. It emphasizes empirical action research methods. This is a highly informative and carefully presented book providing high-value insights to scholars from university and teacher training institutions and teachers from kindergartens, primary, and secondary schools around the world.

Project-Based Learning in the Math Classroom Telannia Norfar, Chris Fancher, 2022-03-14 Project Based Learning in the Math Classroom Grades 3-5 explains how to keep inquiry at the heart of mathematics teaching in the upper elementary grades. Helping teachers integrate other subjects into the math classroom, this book outlines in-depth tasks, projects, and routines to support Project Based Learning (PBL). Featuring helpful tips for creating PBL units alongside models and strategies that can be implemented immediately, Project Based Learning in the Math Classroom Grades 3-5 understands that teaching in a project-based environment means using great teaching practices. The authors impart strategies that assist teachers in planning standards-based lessons, encouraging wonder and curiosity, providing a safe environment where mistakes can occur, and giving students opportunities for revision and reflection.
