him Kelsey soon learns there are tragic dangerous events at play in Ethan s life Events that the deeper she digs may end up threatening not only their relationship but their very lives FINALIST 2016 READER S FAVORITE BOOK AWARDS WINNER 2017 I A N AWARDS OUTSTANDING CHILDREN S FICTION Ethan s Secret is a standalone novel and can be enjoyed even if you haven t read other books in the series **Wilful Impropriety** Ekaterina Sedia,2012-06-07 The Victorian era is significant for the rise of the middle classes and marked changes in social relationships both in the home and in wider society with the proliferation of domestic help and the development of increasingly rigid gender roles These are romances that chafe against the restrictions of the period with heroes and heroines who defy social convention igniting firestorms of gossip The aristocrats impostors social climbers domestic workers and undercover agents of these stories exist in an authentically lush world depicted here with telling attention to detail While most of the stories are strongly realistic some incorporate elements of fantasy **Out of Mind** Michael Burke,2014-10-15 Detective Johnny Blue Heron is lured away from stargazing on his fire escape by a wealthy socialite who wants to track down her husband s lover It appears to be a straightforward task for a private investigator but the trail quickly muddies Blue is chased by hit men and seduced by the suspected lover A fight in an abandoned pipe factory a headless body on the railroad tracks and the curious involvement of homeless kittens makes OUT OF MIND a fascinating read Michael Burke has produced a fast moving mystery that combines a tightly woven plot with Blue s philosophical musing sexual shenanigans and humor Rock and Roll, Desegregation Movements, and Racism in the Post-Civil Rights Era Beth Fowler,2022-04-27 The rock and roll music that dominated airwaves across the country during the 1950s and early 1960s is often described as a triumph for integration Black and white musicians alike including Chuck Berry Little Richard Elvis Presley and Jerry Lee Lewis scored hit records with young audiences from different racial groups blending sonic traditions from R B country and pop This so called desegregation of the charts seemed particularly resonant since major civil rights groups were waging major battles for desegregation in public places at the same time And yet the centering of integration as well as the supposition that democratic rights largely based in consumerism should be available to everyone regardless of race has resulted in very distinct responses to both music and movement among Black and white listeners who grew up during this period Rock and Roll Desegregation Movements and Racism in the Post Civil Rights Era An Integrated Effort traces these distinctions using archival research musical performances and original oral histories to determine the uncertain legacies of the civil rights movement and early rock and roll music in a supposedly post civil rights era The Real Justine Stephen Amidon,2015-09-15 The beautiful younger woman who appeared so unexpectedly so gloriously in Michael Coolidge s life one night a seemingly chance pick up at a quiet neighborhood bar vanished just as suddenly a few days later into thin air it seemed leaving him dazed and bewildered Months later he chances upon Justine on a village street locked in a violent quarrel with a scary looking brute a day later that man is found dead in a seedy motel and Justine has disappeared again leaving behind only a hasty plea for help Michael s efforts to locate her or to find out

something more about her elusive past yield only further mystery a confusing web of lies manipulations and false leads Who is the real Justine Downtown art world sophisticate or small town innocent Victim or predator Someone he can trust or someone he should actually fear Stephen Amidon s spellbinding psychological thriller The Real Justine confounds the reader at every turn constantly causing us to revise our assumptions It s a fascinating study in character and a relentless ingeniously head spinning story all deliciously unresolved until the very last page **New York Magazine** ,1992-03-23
