Brio & Beyond, 2007 Winning Travis Moody, 2016-05-13 There is no question that life is definitely more fun when we win. Unfortunately, many of us are just drifting through life while often facing defeat at every turn. We long to improve our relationships, our health, and our finances, but for many of us, it seems as though we are just getting by in life. The good news is that God does not want us just to survive so that we can enjoy eternity; God wants for us the same thing that we all want for ourselves: to win in life. He wants for us to win in our relationships, in our health, and in our finances. This book will help you do just that. *Winning* begins with a brief self-assessment that encourages honest reflection on the kinds of behaviors that trigger freedom, peace, and inner strength. Travis Moody, a former college athlete and corporate executive turned life coach and stewardship consultant, relies on his personal experiences—both good and bad—to provide practical and spiritual advice intended to help you move from merely surviving to living a life of success and ultimately a life fulfilling your own unique purpose. In this step-by-step guide, you will learn how to win in every area of your life.

The Promise of the Second Wind Bill Butterworth, Dean Merrill, 2010-04-28 Fresh Fuel for Running the Good Race At times we all feel as if we can't go on. Our dreams have faded or crashed. We wake up one day and realize we're just plodding through life. We've embraced life, but still we wonder what might have been. What happened to our hopes and plans for stronger relationships, greater career success, and lasting achievements? Why have we settled for what is instead of striving for what could be? When these conditions or other dilemmas leave you feeling trapped, you are an ideal candidate for one of life's great surprises: a second wind. God wishes to give you such dramatic turnarounds in many areas of life. Just when you think you can't go on, you can tap into the wellspring of God's power and allow him to give your life a jump start. With this newly discovered energy, you can stop your plodding and once again run the race of life with a spirit of exhilaration and joyous abandon.
